

STATEMENT OF PURPOSE

RS32297 / H0210

This legislation amends Idaho Code 31-819 and allows for County Commissioner boards to cease publishing monthly notices about acts, proceedings and financial summary of expense if that county has and maintains a website that is accessible to the public where all board agendas, minutes and financial summaries are available.

FISCAL NOTE

Currently, Ada and Canyon counties spend in excess of \$2,000 per month on the preparation and noticing of the board of county commissioners acts and proceedings. Adoption of this bill will eliminate this expense, saving both staff time and county tax dollars.
