

## STATEMENT OF PURPOSE

RS32094 / H0216

This legislation provides for the designation C1, C2 et seq. where a birth certificate is amended for completing missing facts or correcting facts where there is a material error. The certificate shall not be marked as 'amended'.

## FISCAL NOTE

There are no increased costs anticipated as this is merely a change in the designation on a certificate that was amended. Therefore this legislation causes no additional expenditure of funds at the state or local level of government, nor does it cause an increase or decrease in revenue for state or local government.
