

STATEMENT OF PURPOSE

RS32328 / H0222

The bill makes administrative rules and policies more transparent for citizens. The language requires state departments and constitutional officers that currently have an online presence to publish their current administrative rules and policies online. These documents must be reviewed and updated at least annually for accuracy.

FISCAL NOTE

The proposed amendment will have minimal impact on state departments and constitutional officers because it only requires them to add this information if they already have a website or online presence. No administrative rules will be promulgated.
