

REVISED

## STATEMENT OF PURPOSE

RS32383 / H0235

This legislation authorizes AN APPEAL TO HEAVEN special license plates, based on the pine tree flag flown by George Washington's naval cruisers at the outset of the Revolutionary War in 1775, and similar to the design reflected in the U.S. Postal Service's 1968 6-cent stamp, which commemorated this flag.

## FISCAL NOTE

A one-time cost of \$4,000 is estimated for plate development, to be paid from the State Highway Account. However, since the extra fees associated with this plate will accrue entirely to the State Highway Account, the extra revenues beyond those needed to cover the administrative costs of this special licence plate would more than cover these one-time costs after the sale of the first 334 plates.
