

STATEMENT OF PURPOSE

RS32392 / H0236

This legislation amends Idaho Code 33-205 to allow school boards to deny enrollment for pupils that have severe behavior issues if they are being disenrolled in lieu of discipline or expulsion. It also requires parents/guardians to disclose a conviction of adjudication of a severe crime as listed in Section 20-525A when a pupil is enrolled or searching enrollment. In each instance the parents/guardians are to be notified in writing and are allowed to appear before the school board to contest the action.

FISCAL NOTE

This legislation causes no increase or decrease in revenue, or additional expenditure of funds at the state or local level of government; therefore, this legislation has no fiscal impact.
