

STATEMENT OF PURPOSE

RS32424 / H0275

There are currently three sections of code that require local school districts and charter schools to have internet filtering policies: 33-132, 33-137, and 33-1025. This legislation follows the intent of the Idaho Code Cleanup Act by consolidating the three sections into one section, 33-132 and repealing 33-137 and 33-1025. Additionally, it amends 33-2508 to correct a code reference to the new consolidated section 33-132.

FISCAL NOTE

This legislation causes no increase or decrease in revenue, or additional expenditure of funds at the state or local level of government; therefore, this legislation has no fiscal impact.
