

STATEMENT OF PURPOSE

RS32467 / H0330

Idaho Code currently allows Theaters built prior to 1950 on the national register of historic places, holding an active Beer and Wine license to allow individuals under the age of 21 to be in the theater. It came to our attention, that an Historic Building that has been remodeled into a theater would not be allowed to serve theatergoers under age 21. This change in code would allow a theater located in a Registered Historic Building to allow individuals under age 21 to attend their theater. It does not allow the sale of beer or wine to those individuals under age 21. This bill recognizes that historic buildings are often remodeled and currently used for purposes other than their original purpose.
