

STATEMENT OF PURPOSE

RS32308 / HCR009

This concurrent resolution creates the framework for selecting commissioners who will comprise the Idaho delegation at an Article V convention of states, should one be successfully called. It also sets forth the scope of the authority for commissioners, and provides a remedy for removing, recalling, or suspending commissioners who exceed the scope of their authority. It also creates an advisory committee which would monitor the activities of the commissioners and may recommend removal of any commissioner who exceeds the scope of his or her authority.

FISCAL NOTE

There is no immediate impact to the General Fund. If a convention of states is called, commissioners who are selected to represent Idaho will receive the same allowance for expenses as provided to a member of the Legislature.
