

## STATEMENT OF PURPOSE

RS31883 / S1011

This legislation would establish the requirement that at least one member of a Winter Feeding Advisory Committee be an agricultural producer. It also establishes the requirement that all members reside in the Idaho Department of Fish and Game's district where the committee is formed.

## FISCAL NOTE

These committees are already established in Idaho Code and, therefore, no additional funds are required to carry out the provisions of the changes this legislation makes.
