

## STATEMENT OF PURPOSE

RS32314 / S1076

The legislature recognizes there are times when the use of temporary rules is needed to bridge the gap until pending rules can be considered during the legislative session. This proposed legislation would place some process parameters, additional guidelines, and reporting requirements when temporary rules are employed to meet that need.

## FISCAL NOTE

While this legislation would require some additional justification and reporting when temporary rules are used, the cost is expected to be minimal.
