

Idaho Legislature

INTERNSHIP APPLICATION INFORMATION

2022 Session

Due to Covid-10 there may be structural changes to the program for the 2022 Legislative Session.

Who May Apply

Legislative internships are unpaid positions. Internships are open to undergraduate and graduate students. All students seeking to be selected as interns must be approved by their institution and must have a faculty sponsor who will oversee the student's internship. Arrangements for academic credit must be made directly between students and their institutions.

Availability

Internships will be served during the 2022 Legislative Session at the Idaho State Capitol building in Boise. The session will begin on Monday, January 10, 2022, and is expected to conclude in late March or early April. Applicants should indicate their preferred work days and times on their application.

Attachments

Applicants must submit a one-page personal statement, their most recent transcript, and a current résumé with their application. The personal statement should detail the applicant's qualifications and interest in a legislative internship. The résumé must include three references. Applicants who fail to submit all required materials will not be considered for an internship.

Interview

Appointment to an internship may be dependent on a personal interview. Applicants may be asked to sit for an interview with members of the Legislature prior to being appointed as interns.

Orientation

All interns must attend a half-day orientation early in the legislative session. Additional information about the orientation, including the date, time, and agenda, is forthcoming.

Submission Information

Students seeking an internship must submit their application materials by **Friday, November 12, 2021**. Questions may be directed to Terri Kondeff, Legislative Services Office, at 208.334.4828 or tkondeff@lso.idaho.gov.
