5,000-14,999 students	11	84.6	2	15.4
1,500-4,999 students	30	78.9	8	21.1
500-1,499 students	39	90.7	4	9.3
1-499 students	65	97.0	2	3.0

Note: Response differences are significant at $p < .05$.

2. Reports of Sharing Transportation Services with Other Districts

	No		Yes	
	N	Percentage	N	Percentage
15,000 or more students	4	100.0	0	0.0
5,000-14,999 students	10	76.9	3	23.1
1,500-4,999 students	37	97.4	1	2.6
500-1,499 students	35	81.4	8	18.6
1-499 students	63	94.0	4	6.0

Note: Response differences are significant at $p < .05$.

Future Efforts

3. Reports of Ability to Share Special Education Support Services with Other Districts

	No		Yes	
	N	Percentage	N	Percentage
15,000 or more students	4	100.0	0	0.0
5,000-14,999 students	12	92.3	1	7.7
1,500-4,999 students	32	84.2	6	15.8
500-1,499 students	33	76.7	10	23.3
1-499 students	42	62.7	25	37.3

Note: Response differences are significant at $p < .05$.

Other Efforts

4. Reports of Working with Other Agencies or Organizations to Provide Services

	No		Yes	
	N	Percentage	N	Percentage
15,000 or more students	2	50.0	2	50.0

1,500-4,999 students	31	83.8	6	16.2
500-1,499 students	34	81.0	8	19.0
1-499 students	41	61.2	26	38.8

Note: Response differences are significant at $p < .05$.

5. Reports of Their Districts Being Members of the Idaho School District Council

	No		Yes	
	N	Percentage	N	Percentage
15,000 or more students	2	50.0	2	50.0
5,000-14,999 students	10	76.9	3	23.1
1,500-4,999 students	34	91.9	3	8.1
500-1,499 students	40	95.2	2	4.8
1-499 students	58	87.9	8	12.1

Note: Response differences are significant at $p < .05$.

6. Reports of Purchasing Paper Through the Idaho School District Council

	No		Yes	
	N	Percentage	N	Percentage
15,000 or more students	2	50.0	2	50.0
5,000-14,999 students	7	53.8	6	46.2
1,500-4,999 students	19	50.0	19	50.0
500-1,499 students	24	55.8	19	44.2
1-499 students	54	80.6	13	19.4

Note: Response differences are significant at $p < .01$.

Other Efforts—Cont.

Table 7 Reports of Being Involved in Schools' or Districts' Business Functions

	No		Yes	
	N	Percentage	N	Percentage
15,000 or more students	1	25.0	3	75.0
5,000-14,999 students	12	92.3	1	7.7
1,500-4,999 students	34	91.9	3	8.1
500-1,499 students	39	90.7	4	9.3
1-499 students	61	91.0	6	9.0

Note: Response differences are significant at $p < .01$.

8. Reports of Involvement in School or District Expenditure Accounts

	No		Yes	
	N	Percentage	N	Percentage
15,000 or more students	3	75.0	1	25.0
5,000-14,999 students	5	38.5	8	61.5
1,500-4,999 students	8	21.1	30	78.9
500-1,499 students	10	23.3	33	76.9
1-499 students	11	16.4	56	83.6

Note: Response differences are significant at $p < .05$.

9. Reports of Involvement in School or District Purchasing

	No		Yes	
	N	Percentage	N	Percentage
15,000 or more students	3	75.0	1	25.0
5,000-14,999 students	5	38.5	8	61.5
1,500-4,999 students	13	34.2	25	65.8
500-1,499 students	14	32.6	29	67.4
