

Agency Summary & Statutory Authority

Pursuant to Section 33-3720, Idaho Code, the State Board of Education oversees eight distinct health education programs that provide educational opportunities in the fields of medicine, dentistry, and veterinary medicine. Of these eight programs, four have a residency focus and one has a residency component. Medical residencies are training in the years following graduation from medical school. Residents perform physician duties while under supervision. Residency programs are located throughout the state.

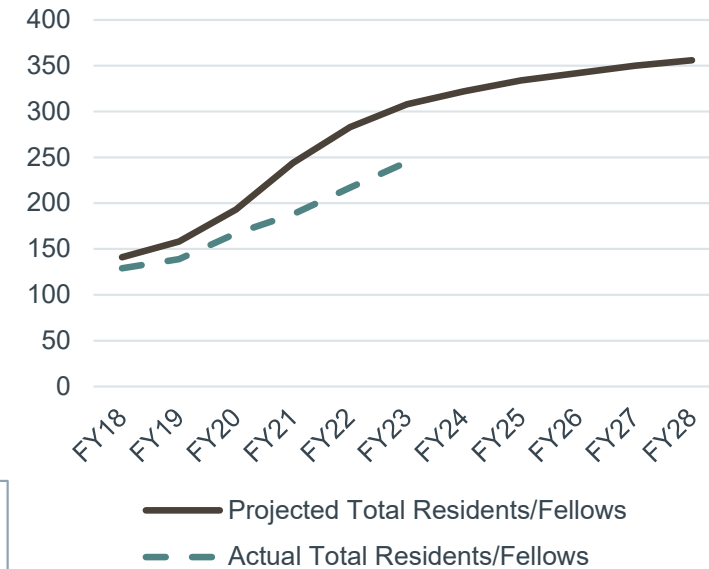

Medical Residency Programs

Residency Programs as a Percentage of the FY23 Division Budget

Number of Residents/Fellows

With GME 10-Year Plan

Residents by Program	FY18	FY19	FY20	FY21	FY22	FY23
Family Medical Residencies	91	91	104	101	115	124
Psych Education, Boise	7	7	8	12	16	16
UUSOM Psych Residents			3	6	9	12
Boise Internal Med Residents	31	31	32	33	35	38
Eastern Idaho Med Residents		10	20	36	42	48

NOTES

76% of the appropriation for these five residency programs is for trustee and benefit payments, 21% is for personnel costs, and 3% is for operating expenditures. Personnel costs and operating expenditures are exclusively found within the Family Medical Residency Program based at Idaho State University.
