MEMORANDUM

TO: All presenters

FROM: Senator John Goedde, (208) 660-7663
Representative Cliff Bayer (208) 362-5058

SUBJECT: Providing Testimony to the Economic Outlook and Revenue Assessment Committee

Thank you for agreeing to appear before the committee to share your knowledge and expertise with us. Enclosed with this memorandum is a DRAFT copy of the committee agenda.

Also, attached are questions and instructions to guide your presentation. Please focus your remarks to those areas that you have particular expertise. Please save one-third to one-half of your allotted time for additional questions and answers.

For those of you wishing to use a Powerpoint presentation, we will have a computer and projectors available. Please have one copy of any Powerpoint material available and provide 35 copies of any handout material. If you plan to make a Powerpoint presentation, please send it to Ray Houston by e-mail no later than Tuesday, January 5 (rhouston@lso.idaho.gov).

The overriding charge of the committee is to evaluate the reasonableness of the Governor's General Fund revenue forecasts for the current and following fiscal years. A key step in making that evaluation is hearing your expert testimony as we assess the state's overall economy and the revenue streams into the General Fund.

Staff will be following with an information packet of statewide economic indicators. If you have questions, you can call legislative staff or either of us.

The meetings will be held in the State Capitol in the east wing of the Garden Level in the House committee room EW41. Please enter through the State Street entrance and sign-in at the desk. Please arrive early just in case we're running ahead on the agenda.
