## Division Description

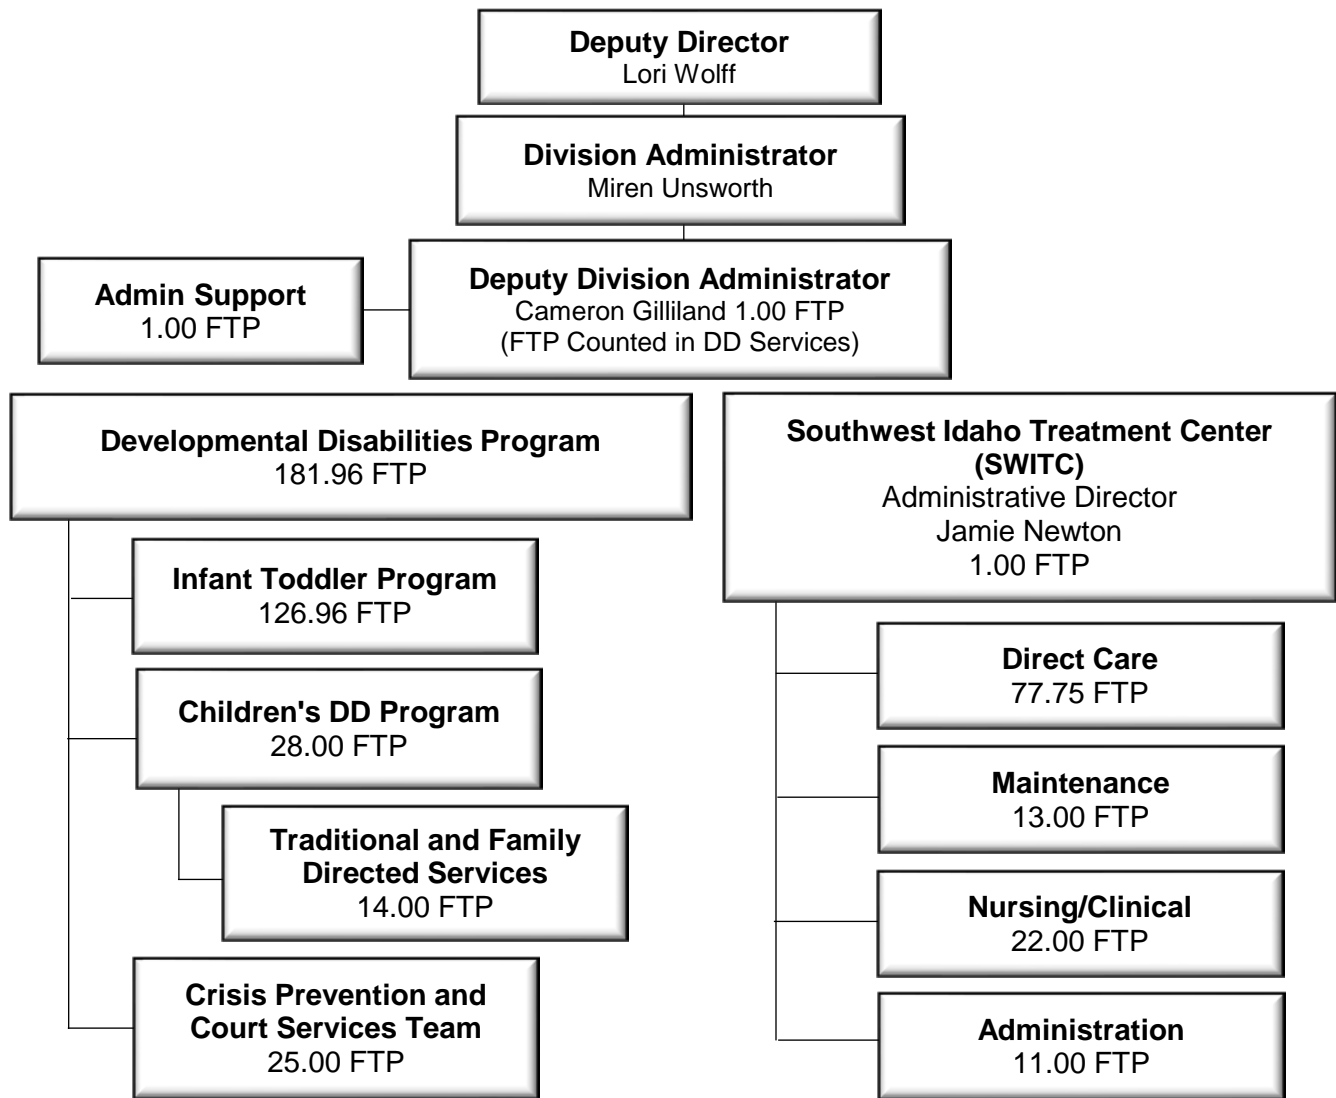

Services for the Developmentally Disabled has two budgeted programs.

**COMMUNITY DEVELOPMENTAL DISABILITY SERVICES:** The Idaho Developmental Disabilities Services Act authorizes the Department of Health and Welfare to assume the leadership role for planning and arranging community services for children and adults with developmental disabilities; and persons who are disabled prior to age 22 due to environmental, genetic, or health factors. Identification, screening, and eligibility determinations are key responsibilities of the seven regional adult and child developmental programs. Services such as therapy, housing, employment, service coordination, and respite care are contracted to numerous private providers. The regional programs provide monitoring and quality assurance to determine that the consumer has an opportunity for informed choice and that services are implemented in a safe, cost-effective, and efficient manner.

**SOUTHWEST IDAHO TREATMENT CENTER (SWITC, formerly the Idaho State School and Hospital or ISSH):** As part of the statewide developmental disabilities service delivery system, SWITC (located in Nampa), is a specialized provider of services to the most severely impaired clients in the state. SWITC serves only those clients who have no other placement option due to severe behavior or medical issues.
