<td>Ongoing funding and maintenance for the State Capitol Building and its grounds is paid for from Capitol endowment lands and investments that are deposited into a permanent fund called the Capitol Permanent Endowment Income Fund (permanent endowment). This fund receives income from endowment lands within the state. Each year, the Endowment Fund Investment Board (EFIB) distributes earnings from the permanent endowment to the Capitol Maintenance Reserve Fund per Capitol Commission guidance, but generally at an annual rate of 5% of the three-year average value of the permanent endowment, as recommended by the EFIB. Funds are then appropriated and transferred from the Capitol Maintenance Reserve Fund to the Capitol Commission Operating Fund, as approved by the Legislature. All moneys in this fund shall be used exclusively by the Capitol Commission to address repairs, maintenance, and construction needs approved by the commission to benefit the Capitol and its grounds, provided that moneys from the fund shall also be used to pay for administrative costs incurred managing the assets of the capital permanent endowment including, but not limited to, real property and monetary assets. All expenditures from this fund are subject to appropriation by the Legislature (Section 67-1610A, Idaho Code).</td>
