

Millennium Fund Prevention/Cessation/Treatment Grant Application Guide

For the Period July 1, 2017, through June 30, 2018

The Idaho Legislature appropriates funding from the Idaho Millennium Fund to eligible applicants who provide services that help individuals to never start, to quit, or to receive treatment for, tobacco or substance use. This process begins with a submitted application to the Joint Legislative Millennium Fund Committee. Applicants that are awarded a Millennium Fund Grant must then submit an annual report detailing the project, and any outcomes and expenses. Please contact Jared Tatro, Legislative Services Office, with any questions at (208) 334-4740 or email jtatro@lso.idaho.gov.
