The Legislative Page Program in the Idaho House of Representatives is for high school seniors between the ages of 17 and 19 only. Students apply in the summer and fall for placement in the upcoming winter session. The applications are reviewed in early December and accepted applicants will be notified by mail.

**LEGISLATIVE SESSION**
The regular legislative session convenes on the Monday closest to the 9th of January and continues until sine die adjournment, sometime in mid to late March. The regular session is divided into two sections; the first half is January to the middle of February; and the second half is from the middle of February through sine die, most likely the end of March, with each group serving five to six weeks.

Legislative Pages must have special written permission from their school administrator to be excused from classes. A letter of approval must be sent to the House with the Page’s completed application, along with the name of the school principal.

**COMPLETION OF TERM**
Each Page is expected to complete the length of time stated in the “Letter of Acceptance,” usually six weeks. Only illness or family emergency are valid reasons for starting late or needing an early release from this commitment. The House works on both President’s Day and Human Rights Day and most likely will be in session during the traditional spring break from school. Please do not plan trips or vacations at any time during your six-week term of service as a Page.

Please take care of routine medical and dental needs before you start your commitment to the House. Regular work hours are Monday through Friday, 8 a.m. to 5 p.m. Those who work for committees that have early morning meetings may be required to come in at 7:30 a.m. Please don’t plan on participating in team sports, plays, musical groups, etc., that will require practices after 5 p.m., particularly during the second half of the session. As the end of the session draws near, we often work after regular hours.

**HOUSING**
Arrangements and expenses for housing and transportation are the responsibility of the student and his/her parents. Options for housing might include friends, family, members of your religious affiliation, or home school groups.

**SALARY**
Pages currently receive $8.50 per hour and are paid every two weeks (every other Friday). Under the present biweekly payroll system, the first salary check is not received until three to four weeks after the session has started and the last salary check is received two weeks after employment ends. The usual deductions of federal and state tax and FICA will be withheld from your salary.
HOMEWORK GUIDANCE

Arrangements for excused absences, class assignments, and any scholastic assistance such as tutoring are the sole responsibility of the students. Adequate time will be given to complete school work and tests. School work is to be completed and sent back to your schools. Teachers may email tests and assignments as needed to the Sergeant at Arms, who will proctor exams that are sent from the schools.

RESPONSIBILITIES

Pages perform a variety of duties under the supervision of the Sergeant at Arms. Duties include aiding Committee Secretaries in setting up and taking down meetings, delivering messages, running errands, making copies, and assisting the Legislators and staff.

DRESS CODE

The House of Representatives has a strictly enforced dress code for both the members and staff. The same adherence to the code is expected of House Pages. Violation of the dress code will result in the Page being sent home for the day, thus missing pay for that day. Attire should be in a manner fitting decorum of the Idaho House of Representatives.

Pages are required to wear a navy blue sweater vest that is provided by the House. This vest must be worn at all times while the Page is on duty.

Girls are expected to wear a white blouse, white turtleneck, or white sweater, with black, gray, navy or khaki skirts or black, gray, navy or khaki long pants. Shorts, “low rider” slacks or skirts, tight fitting skirts, and low cut necklines are not permitted. A skirt must be no more than two inches above the knee when seated.

Boys are expected to wear a white shirt and necktie, with black, gray or khaki slacks. A short-sleeved white shirt can be worn; if a long-sleeved shirt is worn, the sleeves must be rolled down and buttoned at the cuff. The top button of the shirt must be buttoned with the tie pulled up tight.

Because of the nature of the work, good walking shoes appropriate for business attire should be worn. High heeled shoes may not be over two inches and flip flop sandals are not allowed. No visible tattoos or body or facial piercing jewelry will be allowed including tongue piercing studs. Pierced earrings for girls are allowed as long as they are few in number and conservative in nature.

USE OF TOBACCO, ALCOHOL, AND DRUGS

In compliance with Idaho State law, the House of Representatives has a ZERO tolerance policy regarding the use of tobacco, alcohol, and drugs for House Pages. Therefore, while serving in the Idaho State Legislature, a violation of this policy will result in immediate dismissal.

If you wish additional information, or if you have any questions, please feel free to call the Speaker of the House’s office in Boise at (208) 332-1111, or the Sergeant at Arms’ office at (208) 332-1150.
