MEMORANDUM

TO: Rules Review Subcommittee of the Senate Health & Welfare Committee and the House Health & Welfare Committee

FROM: Research & Legislation Staff - Paige Alan Parker

DATE: August 27, 2008

SUBJECT: Department of Health and Welfare - IDAPA 16.06.14 - Rules Governing the Prevention of Minor's Access to Tobacco Products (Docket No. 16-0614-0801 (Proposed)) - Chapter Repeal; and
Department of Health and Welfare - IDAPA 16.07.25 - Prevention of Minors' Access to Tobacco Products (Docket No. 16-0725-0801) (Proposed)) - New Chapter

By these two proposed rule dockets, the Department of Health and Welfare proposes to repeal IDAPA 16.06.14 in its entirety (Docket No. 16-0614-0801) (hereinafter "repealed chapter") and replace it with a new IDAPA 16.07.25 (Docket No. 16-0725-0801)(hereinafter "new chapter").

According to the Department, the temporary and proposed rule is authorized pursuant to section 39-5704, Idaho Code, and in accordance with Executive Order 2006-18. Section 39-5704(2), Idaho Code, permits the Department to promulgate rules regarding permitting of tobacco product retailers, inspections, and compliance checks, effective training and employment practices under the Prevention of Minors' Access to Tobacco Act. Executive Order 2006-18, signed by Governor Risch on June 6, 2006, created a new Division of Behavioral Health within the Department of Health and Welfare.

The Department states that the new chapter is being placed within the Division of Behavioral Health. The new chapter is basically a rewrite of the repealed chapter with a new IDAPA number with grammatical and formatting revisions. The Department states that the major difference in this rewrite is the addition of language that defines when a new permit is issued, when a permit may be closed and when a permit may be revoked.

According to the Department, no fee or charge is imposed by the new chapter and there is no anticipated fiscal impact to the state General Fund as a result of this rulemaking. According to the Department, negotiated rulemaking was not conducted because this rulemaking ensures that individuals who avoid following the repealed chapter will need to do so, and also aligns the rule to meet the intent of Executive Order 2006-18. The Department states that a public hearing is scheduled in Boise on September 16, 2008, at the Best Western Vista Inn. All written comments must be delivered to the Department on or before September 24, 2008.

ANALYSIS

For the most part, the new chapter closely tracks the repealed chapter. A number of stylistic and grammatical changes have been made in the new chapter. The nonsubstantive changes will not be discussed. New language added by the new chapter is underlined.

A. Definitions

The new chapter adds two defined terms not found in the repealed chapter: “location” defined as the street address and building in which the tobacco products are sold and “purchaser” defined as an individual who seeks to buy or who buys a tobacco product. Sections 010.09 and 010.15.

The term “tobacco product” has been modified by the new chapter by adding, or a product used to smoke tobacco, and by including hookah water pipes in the list of included items. Section 010.19. This new chapter modification of the term “tobacco product” makes it at variance to the statutory definition found at section 39-5702(13), Idaho Code. Defining terms in rule that are different from the definition contained in the authorizing statute creates legal problems and should be discouraged.

The new chapter repeats a number of definitions contained in the repealed chapter that also vary from the statutory definitions: “business,” “delivery service,” “permit,” “photographic identification,” “random unannounced inspection,” and “vendor assisted sales.” The Department has added additional information to these definitions that are not contained in their statutory definitions. For example, the definition of “business” includes the additional language, that sells or distributes tobacco products. Wholesalers’ or manufacturers’ representatives in the course of their employment are not included in the scope of these rules, the definition of “delivery service” includes the statement, This includes permittees taking a delivery sale order and who delivers the tobacco products without using a third party delivery service, and the definition of “permit” includes the statement, A permit must include endorsements to indicate the type of service offered by the permittee. Where the permittee uses more than one (1) method for sale or delivery of a tobacco product, the permit must reflect the required endorsement for each method.

This inclusion of additional language into terms defined by statute may create legal issues, including whether the Department has exceeded its rulemaking authority. Generally, the

additional language is really not part of the definition, per se, but is substantive application of the defined term. As such, the Department may be better served by taking additional statements out of the definitions and placing them in substance rules.

B. Application for Permit

The major change in the new chapter involves new language on issuance of a permit, closure of a permit, revocation of a permit, temporary permit and expiration of a permit. Section 020.02a. through e. The new chapter provides that a permit may be issued when a new tobacco retail outlet has been established, when a currently permitted business is sold to new owners, or when a currently permitted business is moved to a different physical location. The new chapter provides that permits may be issued to tobacco retailers established in a permanent location, but not in a temporary location.

The new chapter provides that a permit may be closed when the permittee closes the business, no longer sells tobacco products, moves to a different physical location or sells the business to a new owner. A permit may be revoked by the Department when it is determined that the permit was fraudulently obtained to avoid penalties accrued on an existing permit [or?] the holder of a suspended permit has failed to provide an effective training plan to the Department.

Under the new chapter, temporary permits are not allowed. All permits expire annually at midnight on December 31st.

To renew a permit under the new chapter, an application must be submitted annually for each business location. Section 020.03.b. A business with multiple “sites” [perhaps the Department should use its defined term “locations” in place of “sites”] may submit a single written application which accompanied by a list that includes permit numbers. Section 020.03.c. The new chapter clarifies that fines are considered past due when not paid within ten day of the citation date or within ten days after notification that the fine is upheld on appeal, whichever is later. Section 020.03.d.

C. Civil Penalties for Violation of Permit

The new chapter uses the term seller in place of “employee.” The new chapter provides that the Department will waive the \$200 second violation fine if the permittee provides evidence of effective training, provided to the seller prior to the second violation, within ten business days from the date of violation. Section 051.02.b.ii. The new chapter clarifies that a permit will be suspended [rather than “revoked,” under the repealed chapter] for up to seven days. Section 051.02.c.ii. The Department also clarifies that the permittee must remove all tobacco products from public sight for the duration of the revocation of the permit upon the fourth or subsequent violation in a two year period. Section 051.02.d.iii.

D. Inspections

The new chapter provides that the Department must refer all written complaints concerning the sale of tobacco products to minors to the appropriate agency, as determined by the Department, for investigation. Section 101.04.a.

E. Appendix A - Employee Training Form

The Department has an incorrect citation for the statutory definition of “tobacco products.” The correct citation is section 39-5702(13), Idaho Code. Curiously, the Department’s definition of “tobacco products” in the Employee Training Form is identical to the statutory definition, rather than its modified definition at section 010.19 of the new chapter.

SUMMARY

Except as otherwise noted, above with regard to defined terms, the Department’s new chapter is authorized by section 39-5704(2), Idaho Code.
