

Dear Senators HEINRICH (Acting Chair) & Stennett, and  
Representatives TRAIL, Andrus & Pence:

The Legislative Services Office, Research and Legislation, has received the enclosed rules of the Board of Veterinary Medical Examiners : IDAPA 46.01.01 - Rules of the State of Idaho Board of Veterinary Medicine (Docket #46-0101-0801).

Pursuant to Section 67-454, Idaho Code, a meeting on the enclosed rules may be called by the cochairmen or by two (2) or more members of the subcommittee giving oral or written notice to Research and Legislation no later than fourteen (14) days after receipt of the rules' analysis from Legislative Services. The final date to call a meeting on the enclosed rules is no later than 11-13-08. If a meeting is called, the subcommittee must hold the meeting within forty-two (42) days of receipt of the rules' analysis from Legislative Services. The final date to hold a meeting on the enclosed rules is 12-12-08.

\_\_\_\_\_The germane joint subcommittee may request a statement of economic impact with respect to a proposed rule by notifying Research and Legislation. There is no time limit on requesting this statement, and it may be requested whether or not a meeting on the proposed rule is called or after a meeting has been held.

To notify Research and Legislation, call 334-2475, or send a written request to the address or FAX number indicated on the memorandum enclosed.

## **MEMORANDUM**

TO: Rules Review Subcommittee of the Senate Agricultural Affairs Committee and  
the House Agricultural Affairs Committee

FROM: Katharine Gerrity - Principal Legislative Research Analyst

DATE: October 24, 2008

SUBJECT: Board of Veterinary Medical Examiners

IDAPA 46.01.01 - Rules of the State of Idaho Board of Veterinary Medicine  
(Docket #46-0101-0801)

The Board of Veterinary Medical Examiners submits notice of a proposed rule at IDAPA 46.01.01 - Rules of the State of Idaho Board of Veterinary Medicine. Due to a delay in transmitting the rule from the Office of Administrative Rules, LSO just received this rule on today's date. According to the Board, there is confusion among veterinarians and retail veterinary drug outlets on the correct procedure in prescribing and dispensing legend drugs. The Board notes that this rulemaking is being done in association with rulemaking of the Board of Pharmacy to amend each board's respective rules to provide a clear and consistent procedure. The Board notes that the rule also establishes a uniform procedure for the prescribing and dispensing of legal drugs by veterinarians and retail veterinary drugs and clarifies drug provisions associated with animal euthanasia. Negotiated rulemaking was not conducted.

We have no specific comments relating to this proposed rule as a result of our review. The action appears to be authorized pursuant to Section 54-2105, Idaho Code.

cc: Board of Veterinary Medical Examiners  
Karen Ewing

# IDAPA 46 - BOARD OF VETERINARY MEDICAL EXAMINERS

## 46.01.01 - RULES OF THE STATE OF IDAHO BOARD OF VETERINARY MEDICINE

DOCKET NO. 46-0101-0801

### NOTICE OF RULEMAKING - PROPOSED RULE

**AUTHORITY:** In compliance with Section 67-5221(1), Idaho Code, notice is hereby given that this agency has initiated proposed rulemaking procedures. The action is authorized pursuant to Section 54-2105, Idaho Code.

**PUBLIC HEARING SCHEDULE:** Public hearing(s) concerning this rulemaking will be scheduled if requested in writing by twenty-five (25) persons, a political subdivision, or an agency, not later than October 15, 2008.

The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

**DESCRIPTIVE SUMMARY:** The following is a nontechnical explanation of the substance and purpose of the proposed rulemaking:

First, confusion exists among veterinarians and retail veterinary drug outlets on the correct procedure in prescribing and dispensing legend drugs. The proposed rulemaking is part of a collaborative effort with the Board of Pharmacy to amend each Board's respective rules to provide a clear and consistent procedure. Second, problems have been identified in permitting euthanasia agencies to purchase approved drugs from veterinarians and with requiring that euthanasia technicians actually euthanize an animal in order to demonstrate proficiency for certification eligibility. The proposed rulemaking establishes a uniform procedure for the prescribing and dispensing of legal drugs by veterinarians and retail veterinary drug outlets. It requires the use of certain prescription forms and confirmation when oral prescriptions are followed by written prescription orders. The rulemaking also requires that certified euthanasia agencies purchase approved drugs only from a drug wholesaler. Finally, the rulemaking will permit an applicant for euthanasia technician certification to demonstrate efficiency in administering euthanasia drugs through the use of an acceptable alternative method to the existing requirement that an animal actually be destroyed in the demonstration.

**FEE SUMMARY:** The following is a specific description of the fee or charge imposed or increased: N/A

**FISCAL IMPACT:** The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year resulting from this rulemaking: None.

**NEGOTIATED RULEMAKING:** Pursuant to Section 67-5220, Idaho Code, negotiated rulemaking was not conducted because of the simple nature of the rulemaking and the need for collaboration with the Board of Pharmacy.

**ASSISTANCE ON TECHNICAL QUESTIONS, SUBMISSION OF WRITTEN COMMENTS:** For assistance on technical questions concerning the proposed rule, contact Karen Ewing, Executive Director, (208) 332-8588.

Anyone may submit written comments regarding this proposed rulemaking. All written comments must be directed to the undersigned and must be delivered on or before October 22, 2008.

DATED this 12th day of August, 2008.

Karen Ewing, Executive Director  
Board of Veterinary Medicine  
2270 Old Penitentiary Rd.  
P. O. Box 7249  
Boise, ID 83707  
Phone: (208) 332-8588  
Fax: (208) 334-2170

**THE FOLLOWING IS THE TEXT OF DOCKET NO. 46-0101-0801**

**154. RECORD KEEPING STANDARDS.**

Every veterinarian shall maintain daily medical records of the animals treated. These records may be computerized and shall be readily retrievable to be inspected, duplicated, or submitted when requested by the Board. All records, including electronic records, shall be safeguarded against loss, defacement, tampering, and use by unauthorized personnel. In the case of electronic records, the veterinarian shall keep either a duplicate hard-copy record or a back-up unalterable electronic record. Records shall be maintained for a period of three (3) years following the last treatment or examination. Patient medical records shall be maintained for every animal accepted and treated as an individual patient by a veterinarian, or for every animal group (for example, herd, litter, and flock) treated by a veterinarian.

(3-30-07)

- 01. Medical Records.** Medical records shall include, but not be limited to:

(7-1-97)

  - a.** Name, address and phone number of the animal's owner or other caretaker. (7-1-97)
  - b.** Name and description, sex (if readily determinable), breed and age of animal; or description of group. (7-1-97)
  - c.** Dates (beginning and ending) of custody of the animal. (7-1-97)
  - d.** A short history of the animal's condition as it pertains to the animal's medical status. (7-1-97)
  - e.** Results and notation of examination, condition, and diagnosis suspected. (4-2-08)
  - f.** All medications, treatments, prescriptions or prophylaxis given, including amount and frequency for both inpatient and outpatient care. (7-1-97)
  - g.** Diagnostic and laboratory tests or techniques utilized, and results of each. (7-1-97)
  - h.** Written anesthesia records. (3-30-07)
- 02. Consent Forms.** Consent forms, signed by the patient's owner or other legal caretaker for each surgical or anesthesia procedure requiring hospitalization or euthanasia, shall be obtained, except in emergency situations, for each animal and shall be maintained on file with the practitioner. (3-30-07)
- 03. Postoperative Instructions.** Postoperative home-care instructions shall be provided in writing and be noted in the medical record. (3-30-07)
- 04. Treatment Records.** Veterinarians who practice with other veterinarians shall indicate by recognizable means on each patient's or animal group's medical record any treatment the veterinarian personally performed and which treatments and procedures were delegated to a technician or assistant to perform. (3-30-01)
- 05. Ownership of Medical Records.** Medical records are the personal property of the hospital or the proprietor of the practice that prepares them. Other veterinarians, including those providing subsequent health needs for a patient, and the patient's owner may receive in a timely manner a copy or summary of the patient's medical record, upon the request of the patient's owner or other caretaker. Veterinarians shall secure a written release to document that request. (3-30-07)
- 06. Diagnostic Image Identification and Ownership.** All diagnostic images shall be labeled in the emulsion film or digitally imprinted to identify the veterinarian or premise, the patient, the owner, the date, and anatomical orientation. A diagnostic image is the physical property of the hospital or the proprietor of the practice

that prepares it, and it shall be released upon the request of another veterinarian who has the authorization of the owner of the animal to whom it pertains or to the Board. Such diagnostic images shall be returned within a reasonable time to the veterinarian who originally ordered them to be prepared. (4-2-08)

**07. Estimates.** A veterinarian shall make available to each client a written estimate on request. (3-30-07)

**08. Controlled Substances and Prescription or Legend Drugs.** A controlled substance is any substance classified by the federal Food and Drug Administration or the Idaho Board of Pharmacy in Schedules I through V of the state or federal Controlled Substances Act, Title 37, Chapter 27, Idaho Code, or 21 CFR 1308. A prescription or legend drug is any drug that under federal law is required, prior to being dispensed or delivered, to be labeled with one (1) of the following statements: "Caution federal law prohibits dispensing without a prescription"; or "RX Only"; or "Caution: Federal law restricts this drug to use by or on the order of a licensed veterinarian"; or a drug which is required by any applicable federal or state law or regulation or rule to be dispensed on prescription only, or is restricted to use by practitioners only. A veterinarian shall only dispense or distribute a controlled substance or prescription or legend drug within the context of a valid veterinarian/client/patient relationship as defined by Section 150 of these rules. (3-30-01)

**a.** Records shall be kept that account for all dispensed and distributed controlled substances and prescription or legend drugs. The records shall comply with all federal and state laws. All information required by statute shall be recorded in the patient record along with the initials of the veterinarian who authorized the dispensing or distribution of the controlled substances or prescription or legend drugs. (3-30-01)

**b.** A separate inventory record shall be kept for each controlled substance by name and strength. The record shall include: (7-1-97)

**i.** Records of the receipt, which include all information required by federal law, the date of the receipt, the amount received, the source of receipt, and the invoice number. (7-1-97)

**ii.** Records of dispensing, which include the date the controlled substance was dispensed, the amount dispensed, the animal's name, identification of the patient record, identification of the person who dispensed the drug, identification of the veterinarian who supervised the dispensing and any other information required by federal law. (7-1-97)

**c.** Records for all dispensed or distributed prescription or legend drugs shall be maintained in the individual patient or herd record and shall include the date the drug was dispensed or distribution was authorized, the amount dispensed or distributed, identification of the person who dispensed or authorized distribution of the drug, identification of the veterinarian who supervised the dispensing and any other information required by federal or state law, regulation or rule. (3-30-01)

**d.** Prescription drug order means a lawful written or verbal order of a veterinarian for a drug. (3-30-01)

**i.** When prescription drug orders are issued by a licensed veterinarian to be distributed to the animal's owner or legal caretaker by a retail veterinary drug outlet, all orders for prescription or legend drugs shall be written on an official numbered three (3) part order form available through the Idaho Department of Agriculture. The veterinarian shall retain the second copy in his medical record and the original and one (1) copy shall be sent to the retail veterinary drug outlet. The retail veterinary drug outlet shall retain the original and attach the copy of the original to the order for delivery to the animal's owner or legal caretaker. (~~3-30-01~~)(\_\_\_\_)

**ii.** Under no circumstances shall a prescription or legend drug be distributed by a retail veterinary drug outlet to an animal's owner or legal caretaker prior to the issuance of either a written or oral prescription drug order from the veterinarian: (3-30-01)

(1) When a written prescription drug order from the veterinarian has been issued to a retail veterinary drug outlet, a copy of the veterinarian's original numbered prescription drug order shall be attached to the prescription or legend drugs that are delivered to the animal's owner or legal caretaker. (~~3-30-01~~)(\_\_\_\_)

(2) When a retail veterinary drug outlet receives an oral prescription drug order from the veterinarian, the oral order shall be promptly reduced to writing on a Department of Agriculture unnumbered telephone drug order blank. A copy of ~~the written oral order~~ this completed form shall be attached to the prescription or legend drugs that are delivered to the animal(s)'s owner or legal caretaker. (3-30-01)(    )

(3) When a veterinarian issues an oral prescription drug order to a retail veterinary drug outlet, the oral order shall be followed ~~within seventy-two (72) hours~~ by a written prescription drug order signed by the veterinarian using the official numbered three (3) part order form and procedures required under Subparagraph 154.08.d.i. of these rules. The written order shall be sent promptly by the veterinarian so that it is received by the retail veterinary drug outlet within seventy-two (72) hours. The written confirmation order may be hand-delivered, mailed, faxed, attached to an e-mail, or otherwise properly delivered to the retail veterinary drug outlet. (3-30-01)(    )

e. When prescription or legend drugs are dispensed, the labeling on all containers shall be in compliance with the requirements of Paragraph 153.01.d. of these rules. (3-30-01)

f. When controlled substances are dispensed, all containers shall be properly labeled with: (4-5-00)

i. The clinic's name, address, and phone number; (4-5-00)

ii. The name of the client and patient; (3-30-01)

iii. The drug name and quantity; and (3-30-01)

iv. The directions for use, including dosage and quantity. (3-30-01)

g. All controlled substances shall be stored and dispensed in accordance with the requirements of the Uniform Controlled Substances Law and Code of Federal Regulations. (3-30-01)

**(BREAK IN CONTINUITY OF SECTIONS)**

**202. PROCUREMENT AND ADMINISTRATION OF APPROVED DRUGS.**

In order for a certified euthanasia agency to obtain approved drugs for euthanizing animals and a certified euthanasia technician to administer such drugs, the following procedure shall be followed: (3-30-01)

**01. DEA Registration.** A certified euthanasia agency (CEA) shall appoint a person who will be responsible for ordering the approved drugs and who shall submit an application for the agency's registration as a Euthanasia Agency Practitioner-A.S. to the Drug Enforcement Agency (DEA). The CEA shall also designate a certified euthanasia technician (CET) who will be responsible for the security of the agency's approved drugs. (3-30-01)

**02. Controlled Substance Registration.** Each CET employed by the agency shall apply for a controlled substance registration from the Idaho Board of Pharmacy under their individual name and using the CEA's DEA registration number. (3-30-01)

**03. Purchase of Approved Drugs.** After the certified euthanasia agency has received a DEA registration number and the CETs at that agency have received their Idaho Board of Pharmacy controlled substance registrations, the designated individual for the agency may on behalf of the agency purchase approved drugs for storage at the CEA location. Approved drugs shall only be obtained from a drug wholesaler. (3-30-01)(    )

**04. Administration of Approved Drugs.** Certified euthanasia technicians employed by certified euthanasia agencies and registered with the Idaho Board of Pharmacy may perform euthanasia by the administration of approved drugs. (3-30-01)

**(BREAK IN CONTINUITY OF SECTIONS)**

**205. CERTIFIED EUTHANASIA TECHNICIAN.**

**01. Training and Examinations.** The CETF or the Board shall develop training sessions and materials that shall include, but not be limited to, the following topics: (3-30-01)

- a. Euthanasia: (3-30-01)
  - i. The theory and history of euthanasia methods; (3-30-01)
  - ii. Animal anatomy; (3-30-01)
  - iii. Proper animal handling to ease trauma and stress; (3-30-01)
  - iv. Dosages of chemical agents, record keeping and documentation of usage, storage, handling, and disposal of out-dated drugs and their containers, instruments and equipment used in their administration in accordance with the Idaho Board of Pharmacy law and rules and the Code of Federal Regulations; (3-30-01)
  - v. Proper injection techniques; and (3-30-01)
  - vi. Proper use and handling of approved euthanasia drugs and equipment; (3-30-01)
  - vii. Examination. Following the euthanasia training, a written examination shall be given. Those passing the written examination will be eligible for the practical examination. (3-30-01)

- b. Remote Chemical Capture: (3-30-01)
  - i. An overview of remote chemical capture; (3-30-01)
  - ii. Description and basic mechanism of action of approved drugs; (3-30-01)
  - iii. Laws, regulations and rules governing remote chemical capture; (3-30-01)
  - iv. Post-injection care; (3-30-01)
  - v. Proper use and handling of approved restraint drugs and equipment; (3-30-01)
  - vi. Human safety; (3-30-01)
  - vii. Tactics and strategy; and (3-30-01)
  - viii. Delivery systems and equipment. (3-30-01)

**02. Certification Standards.** Applicants for certification as a CET shall be eighteen (18) years of age or older and demonstrate proficiency in compliance with the following standards. (3-30-01)

- a. ~~Euthanize animals~~ Demonstrate efficiency in venous access in the presence of ~~one (1) or more a~~ CETF or Board members, or a person approved by the Board: (~~3-30-01~~)(      )
  - i. CETs are fully responsible for all actions that take place in the euthanasia area when an animal is brought to the area including, but not limited to, animal handling, use of the proper restraint technique, the proper drug dosage, and drug handling; (3-30-01)

ii. Each animal shall be handled with the least amount of restraint necessary, but human safety shall always be the primary concern; (3-30-01)

iii. CETs shall be able to properly perform intravenous injections on dogs and intraperitoneal injections on both dogs and cats. Intravenous injections on cats shall not be required as part of the certification process, but when performed, shall meet the standards listed in Subparagraph 205.02.a.iii.(1) of these rules. Intracardiac injections on dogs and cats shall not be required as part of the certification process, but when performed, are restricted to the limitations listed in Subparagraph 205.02.a.iii.(3) of these rules. (3-30-01)

(1) Intravenous Injections: The CET shall be able to properly and efficiently insert the needle into an animal's vein in no more than two (2) attempts on ninety percent (90%) of the animals injected by this method. IV injections in the cephalic vein shall be used on all dogs over the age of three (3) months unless the animal's physical condition or size makes this type of injection impossible, or the animal's behavior would make this type of injection a serious danger to the CET or handler. A minimum of two (2) people shall be required for any IV injection. One (1) person shall be a CET and one (1) or more people shall be the handler. The handler does not need to be a CET, but the handler should be trained in human safety and animal handling techniques; (3-30-01)

(2) Intraperitoneal Injections: The CET shall be able to efficiently insert the needle into the proper injection site in no more than two (2) attempts on ninety-five percent (95%) of the animals injected by this method. It is recommended that animals injected by this method be held or otherwise restrained by the handler until the animal is unconscious. If an animal cannot be held, it shall be placed into a cage with no other animals. The front of the cage shall be covered with cloth or other material that can keep the cage isolated from the normal activities in the euthanasia area. The animal shall be checked every five (5) minutes until death occurs. Intraperitoneal injections may be administered by a CET without a handler. (3-30-01)

(3) Intracardiac Injections: Intracardiac injection shall be performed only on an anesthetized animal. CETs shall be able to efficiently insert the needle into the heart of an animal in no more than two (2) attempts on ninety percent (90%) of the animals injected by this method. Intracardiac injections may be administered by a CET without a handler. (3-30-01)

iv. No other injection procedures are permitted in any type of animal; (3-30-01)

v. Injections: (3-30-01)

(1) On all injections, the CET shall aspirate the syringe to determine if the needle is in the correct site; (3-30-01)

(2) For human safety, the cap shall be kept on the needle until such time as the injection is ready to be made; (3-30-01)

(3) The needle shall be of the size and length appropriate for the specific animal involved; and (3-30-01)

(4) The dosage of any approved drug used shall be no less than the minimum dosage recommended by the drug's manufacturer. (7-1-97)

vi. Oral administration of approved drugs is permitted for any animal that cannot be captured or restrained without serious danger to human safety; (3-30-01)

vii. Demonstrate an understanding of carbon monoxide-induced euthanasia chambers. (3-18-99)

**b.** Demonstrate proper record keeping. A record of all approved drugs received and used by the agency shall be kept. The record shall contain the following information: (3-30-01)

i. A weekly verification of the drug stock on hand, signed by the CET; (3-30-01)

ii. An entry of the date that a new bottle of any approved drug is opened and the volume of the bottle,

- signed by the CET; (3-30-01)
- iii. The species and approximate weight of each animal administered a drug; (3-30-01)
  - iv. The amount of the drug that was administered; (3-30-01)
  - v. The signature of the CET who administered the drug; (3-30-01)
  - vi. A record of the amount of the drug wasted, if any, signed by the CET administering the drug; and (3-30-01)
  - vii. A record of any disposal of expired or unwanted approved drugs, other chemical agent or the containers, instruments and equipment used in their administration, signed by the CET and disposed of in accordance with the Idaho Board of Pharmacy law and rules and the Code of Federal Regulations. (3-30-01)
- c.** Demonstrate understanding and concern for the needs of individual animals: (3-18-99)
- i. Once they have collapsed, injected animals shall be lowered to the surface on which they were being held at the time of injection. Injected animals shall not be permitted to drop or otherwise collapse without human support; (3-30-01)
  - ii. All animals shall be handled in a manner that minimizes stress to the animal and maximizes the personal safety of the CET and the handler. Handling includes all aspects of moving an animal from one (1) area to another; (3-30-01)
  - iii. The use of control sticks and other similar devices shall be limited to fractious or potentially dangerous animals; and (3-30-01)
  - iv. Animals shall not be placed in cages or kennels with other breeds or species that are incompatible with the animal in question. Animals shall not be overcrowded in a cage or kennel. (7-1-93)
- d.** Demonstrate ability to verify death. The animal should become unconscious and show terminal signs within thirty (30) seconds after an IV or IC injection, within fifteen (15) minutes after an IP injection, or within sixty (60) minutes after an oral administration. If any animal does not show any of these signs within the designated time periods, the CET shall re-administer the drug. An animal that has received an approved drug orally may be injected with the same or another approved drug after it has become unconscious. Verification is the responsibility of the CET and shall be made by physical examination of the individual animal. One (1) of the following two (2) standards for death shall be met: (4-2-08)
- i. Rigor mortis; or (7-1-93)
  - ii. Complete lack of heartbeat (as checked with a stethoscope), complete lack of respiration, and complete lack of corneal and palpebral reflexes. (4-2-08)
- e.** Demonstrate ability to communicate with handlers during the euthanasia process. (3-18-99)
- 03. Certification.** An individual shall not be certified as a CET until such time as he has demonstrated proficiency in the practical examination that shall be conducted following the successful passing of the written exam. Training courses and written and practical examinations will be given as needed. Certification and renewal training sessions and examinations will be conducted prior to July 1 of each year at a place selected by the CETF or the Board. A law enforcement CET working under the indirect supervision of a licensed veterinarian must provide verification of supervision by the supervising veterinarian on a form provided by the Board office. (4-2-08)
- a.** An individual who has passed the written exam, but has not attended a training session and has not passed the practical examination, may serve as a probationary euthanasia technician under the direct supervision of a currently certified CET until such time as the next training course, practical exam and certification are conducted by a CETF or Board member. (3-30-07)

**b.** An individual who has not passed the written exam may not serve as a euthanasia technician or assistant. (3-30-01)

**c.** An individual who attends a training session and passes the written exam but fails the practical exam may serve on probation until the CETF member re-examines the individual. If the individual fails to pass the practical exam a second time and wishes to apply again, the individual shall attend the next regular training session and written exam. (3-30-01)

**d.** Upon termination from an agency as defined in Section 204 of these rules, a CET shall not perform animal euthanasia until employed by another certified euthanasia agency as defined by Section 54-2103(8), Idaho Code. (3-30-01)

**e.** The agency shall notify the Board office or a CETF member, or both, in writing within thirty (30) days from the date the CET's employment at that agency is terminated. (3-30-01)

**f.** If a CET is employed again within eighteen (18) months of his last certification, the CET or employer, or both, may request reinstatement and renewal of the CET's certification. If the certification has expired past the eighteen (18) months maximum, the CET may euthanize animals under the direct supervision of a currently certified euthanasia technician until such time as a CETF or Board member can administer a written examination and authorize recertification. If a CET has not attended a euthanasia training in the three (3)-year period preceding recertification, the CET may not be recertified and will need to reapply for certification. (3-30-07)

**g.** All certifications expire on July 1 of each year and are effective for no longer than twelve (12) months from the date of certification. (3-30-01)

**04. Certification Renewal.** Certifications may be renewed each year by payment of the annual renewal fee, provided that, every third year following the date of certification, the CET will need to attend a euthanasia training and pay the current training and certification fee prescribed by Section 014 of these rules. (3-30-01)

**05. Duties.** The duties of a CET shall include, but are not limited to: (7-1-97)

**a.** Preparing animals for euthanasia; (7-1-97)

**b.** Accurately recording the dosages for drugs that are administered and amounts for drugs wasted; (3-30-01)

**c.** Ordering supplies; (7-1-93)

**d.** Maintaining the security of all controlled substances and other approved drugs; (3-30-01)

**e.** Directly supervising probationary CET; (7-1-97)

**f.** Reporting to the Board violations or suspicions of a violation of these rules or any abuse of drugs; (3-30-01)

**g.** Humanely euthanizing animals; and (3-30-01)

**h.** Proper and lawful disposal of euthanized animals and expired or unwanted drugs, other chemical agent or the containers, instruments and equipment used in the administration of approved drugs. (3-30-01)
