23 SECTION 2. That Section 41-2210, Idaho Code, be, and the same is hereby amended to
 24 read as follows:

25 41-2210. REQUIRED PROVISION IN GROUP AND BLANKET POLICIES. (1) Any
 26 group disability insurance contract or blanket disability insurance contract, delivered or issued
 27 for delivery in this state which provides coverage for injury or sickness for newborn dependent
 28 children of subscribers or other members of the covered group, shall provide coverage for
 29 such newborn children, including adopted newborn children that are placed with the adoptive
 30 subscriber or other member of the covered group within sixty (60) days of the adopted child's
 31 date of birth, from and after the moment of birth. Coverage under the contract for an adopted
 32 newborn child placed with the adoptive subscriber or other member of the covered group more
 33 than sixty (60) days after the birth of the adopted child shall be from and after the date the
 34 child is so placed. Coverage provided in accord with this section shall include, but not be
 35 limited to, coverage for congenital anomalies. For the purposes of this section, "child" means
 36 an individual who has not attained age eighteen (18) years as of the date of the adoption
 37 or placement for adoption. For the purposes of this section, "placed" shall mean physical
 38 placement in the care of the adoptive subscriber or other member of the covered group, or in
 39 those circumstances in which such physical placement is prevented due to the medical needs of
 40 the child requiring placement in a medical facility, it shall mean when the adoptive subscriber
 41 or other member of the covered group signs an agreement for adoption of such child and signs
 42 an agreement assuming financial responsibility for such child. Prior to legal finalization of
 43 adoption, the coverage required under the provisions of this subsection (1) as to a child placed
 44 for adoption with a subscriber or other member of the covered group continues in the same

1 manner as it would with respect to a naturally born child of the subscriber or other member of
2 the covered group until the first to occur of the following events:

3 (a) Date the child is removed permanently from that placement and the legal obligation
4 terminates; or

5 (b) The date the subscriber or other member of the covered group rescinds, in writing,
6 the agreement of adoption or agreement assuming financial responsibility.

7 (2) An insurer shall not restrict coverage under a group disability insurance contract
8 or a blanket disability insurance contract of any dependent child adopted by a participant or
9 beneficiary, or placed with a participant or beneficiary for adoption, solely on the basis of
10 a preexisting condition of a child at the time the child would otherwise become eligible for
11 coverage under the plan, if the adoption or placement for adoption occurs while the participant
12 or beneficiary is eligible for coverage under the plan.

13 (3) Any new or renewing group disability insurance contract or blanket disability
14 insurance contract delivered or issued for delivery in this state shall provide that an unmarried
15 child ~~under the age of twenty one (21) years or an unmarried child who is a full time student~~
16 under the age of twenty-five (25) years and who is financially dependent upon receives more
17 than one-half (1/2) of his financial support from the parent shall be permitted to remain on
18 the parent's or parents' contract. Further, any unmarried child of any age who is medically
19 certified as disabled and financially dependent upon the parent is permitted to remain on the
20 parent's or parents' contract.

21 (4) No policy of disability insurance which provides maternity benefits for a person
22 covered continuously from conception shall be issued, amended, delivered, or renewed in this
23 state on or after January 1, 1977, if it contains any exclusion, reduction, or other limitations
24 as to coverage, deductibles, or coinsurance provisions, as to involuntary complications of
25 pregnancy, unless such provisions apply generally to all benefits paid under the policy. If a
26 fixed amount is specified in such policy for surgery, the fixed amounts for surgical procedures
27 involving involuntary complications of pregnancy shall be commensurate with other fixed
28 amounts payable for procedures of comparable difficulty and severity. In a case where a fixed
29 amount is payable for maternity benefits, involuntary complications of pregnancy shall be
30 deemed an illness and entitled to benefits otherwise provided by the policy. Where the policy
31 contains a maternity deductible, the maternity deductible shall apply only to expenses resulting
32 from normal delivery and cesarean section delivery; however, expenses for cesarean section
33 delivery in excess of the deductible shall be treated as expenses for any other illness under
34 the policy. This section shall apply to all disability policies except any group disability policy
35 made subject to an applicable collective-bargaining agreement in effect before January 1, 1977.

36 For purposes of this section, involuntary complications of pregnancy shall include, but not
37 be limited to, puerperal infection, eclampsia, cesarean section delivery, ectopic pregnancy, and
38 toxemia.

39 All policies subject to this section and issued, amended, delivered, or renewed in this state
40 on or after January 1, 1977, shall be construed to be in compliance with this section, and any
41 provision in any such policy which is in conflict with this section shall be of no force or effect.

42 (5) From and after January 1, 1998, no policy of disability insurance which provides
43 medical expense maternity benefits, shall restrict benefits for any hospital length of stay in
44 connection with childbirth for the mother or newborn child in a manner that would be in
45 conflict with the newborns' and mothers' health protection act of 1996.

1 SECTION 3. That Section 41-3216, Idaho Code, be, and the same is hereby amended to
2 read as follows:

3 41-3216. BENEFITS. (1) A society may provide the following contractual benefits in

- 10 (f) Monument or tombstone benefits to the memory of deceased members; and
- 11 (g) Such other benefits as authorized for life insurers and which are not inconsistent with
12 this chapter.

13 (2) A society shall specify in its rules those persons who may be issued, or covered by,
14 the contractual benefits in subsection (1) of this section, consistent with providing benefits to
15 members and their dependents. A society may provide benefits on the lives of children under
16 the minimum age for adult membership upon application of an adult person.

17 (3) Any new or renewing society contract relating to hospital, medical or nursing benefits
18 delivered or issued for delivery in this state shall provide that an unmarried child ~~under the~~
19 ~~age of twenty one (21) years or an unmarried child who is a full time student~~ under the age
20 of twenty-five (25) years and who is financially dependent upon receives more than one-half
21 (1/2) of his financial support from the parent shall be permitted to remain on the parent's
22 or parents' contract. Further, any unmarried child of any age who is medically certified as
23 disabled and financially dependent upon the parent is permitted to remain on the parent's or
24 parents' contract.

25 SECTION 4. That Section 41-3436, Idaho Code, be, and the same is hereby amended to
26 read as follows:

27 41-3436. DEPENDENT'S COVERAGE – DEPENDENT'S TERMINATION OF
28 COVERAGE, DISABILITY AND DEPENDENCY PROOF AND APPLICATION. (1) Any
29 new or renewing subscriber contract delivered or issued for delivery in this state shall provide
30 that an unmarried child ~~under the age of twenty one (21) years or an unmarried child who is a~~
31 ~~full time student~~ under the age of twenty-five (25) years and who is financially dependent upon
32 receives more than one-half (1/2) of his financial support from the parent shall be permitted to
33 remain on the parent's or parents' contract. Further, any unmarried child of any age who is
34 medically certified as disabled and financially dependent upon the parent is permitted to remain
35 on the parent's or parents' contract.

36 (2) There shall be a provision that a subscriber's contract delivered or issued for delivery
37 in this state more than one hundred twenty (120) days after the effective date of this act
38 under which coverage of a dependent of a subscriber terminates at a specified age shall, with
39 respect to an unmarried child who is incapable of self-sustaining employment by reason of
40 mental retardation or physical handicap and who became so incapable prior to attainment of the
41 limiting age and who is chiefly dependent upon such member for support and maintenance, not
42 to terminate while the contract remains in force and the dependent remains in such condition, if
43 the member has within thirty-one (31) days of such dependent's attainment of the limiting age
44 submitted proof of such dependent's incapacity as described herein. The service corporation

1 may require at reasonable intervals during the two (2) years following the child's attainment of
 2 the limiting age subsequent proof of the child's disability and dependency. After the two (2)
 3 year period, such subsequent proof may not be required more than once each year.

4 SECTION 5. That Section 41-3923, Idaho Code, be, and the same is hereby amended to
 5 read as follows:

6 41-3923. COVERAGE OF ADOPTED NEWBORN CHILDREN – COVERAGE OF
 7 MATERNITY AND COMPLICATIONS OF PREGNANCY. (1) Any contract delivered or
 8 issued for delivery in this state by an organization offering a managed care plan for which a
 9 certificate of authority is required, which provides coverage for injury or sickness for newborn
 10 dependent children of the members of the covered group, shall provide such coverage for such
 11 newborn children and infants, including adopted newborn children that are placed with the
 12 adoptive member of the covered group within sixty (60) days of the adopted child's date of
 13 birth, from and after the moment of birth. Coverage under the contract for an adopted newborn
 14 child placed with the adoptive member of the covered group more than sixty (60) days after
 15 the birth of the adopted child shall be from and after the date the child is so placed. Coverage
 16 provided in accord with this section shall include, but not be limited to, coverage for congenital
 17 anomalies. For the purposes of this section, "child" means an individual who has not reached
 18 eighteen (18) years as of the date of the adoption or placement for adoption. For the purposes
 19 of this section, "placed" shall mean physical placement in the care of the adoptive member of
 20 the covered group, or in those circumstances in which such physical placement is prevented due
 21 to the medical needs of the child requiring placement in a medical facility, it shall mean when
 22 the adoptive member of the covered group signs an agreement for adoption of such child and
 23 signs an agreement assuming financial responsibility for such child. Prior to legal finalization
 24 of adoption, the coverage required under the provisions of this subsection (1) as to a child
 25 placed for adoption with a member of the covered group continues in the same manner as it
 26 would with respect to a naturally born child of the member of the covered group until the first
 27 to occur of the following events:

28 (a) Date the child is removed permanently from that placement and the legal obligation
 29 terminates; or

30 (b) The date the member of the covered group rescinds, in writing, the agreement of
 31 adoption or agreement assuming financial responsibility.

32 (2) The managed care organization shall not restrict coverage under a health care contract
 33 of any dependent child adopted by a member, or placed with a member for adoption, solely on
 34 the basis of a preexisting condition of the child at the time the child would otherwise become
 35 eligible for coverage under the plan, if the adoption or placement for adoption occurs while the
 36 member is eligible for coverage under the plan.

37 (3) Any new or renewing group disability insurance contract or blanket disability
 38 insurance contract delivered or issued for delivery in this state shall provide that an unmarried
 39 child under the age of twenty-five (25) years and who receives more than one-half (1/2) of
 40 his financial support from the parent shall be permitted to remain on the parent's or parents'
 41 contract. Further, any unmarried child of any age who is medically certified as disabled
 42 and financially dependent upon the parent is permitted to remain on the parent's or parents'
 43 contract.

44 (4) No health care contract which provides maternity benefits for a person covered
 45 continuously from conception shall be issued, amended, delivered, or renewed in this state if it

1 contains any exclusion, reduction, or other limitations as to coverage, deductibles, copayments,
2 or coinsurance provisions as to involuntary complications of pregnancy, unless such provisions
3 apply generally to all benefits paid under the plan. If a fixed amount is specified in such plan
4 for surgery, the fixed amounts for surgical procedures involving involuntary complications
5 of pregnancy shall be commensurate with other fixed amounts payable for procedures of
6 comparable difficulty and severity. In a case where a fixed amount is payable for maternity
7 benefits, involuntary complications of pregnancy shall be deemed an illness and entitled to
8 benefits otherwise provided by the plan. Where the plan contains a maternity deductible, the
9 maternity deductible shall apply only to expenses resulting from normal delivery and cesarean
10 section delivery; however, expenses for cesarean section delivery in excess of the deductible
11 shall be treated as expenses for any other illness under the plan.

12 Where a plan which provides or arranges direct health care services for its members
13 contains a maternity deductible, the maternity deductible shall apply only to expenses resulting
14 from prenatal care and delivery. However, expenses resulting from any delivery in excess of
15 the deductible amount shall be treated as expenses for any other illness under the plan. If the
16 pregnancy is interrupted, the maternity deductible charged for prenatal care and delivery shall
17 be based on the value of the medical services received, providing that it is never more than
18 two-thirds (2/3) of the plan's maternity deductible.

19 This section shall apply to all health care contracts except any group health care contracts
20 made subject to an applicable collective-bargaining agreement in effect before January 1, 1977.

21 For purposes of this section, involuntary complications of pregnancy shall include, but not
22 be limited to, puerperal infection, eclampsia, cesarean section delivery, ectopic pregnancy, and
23 toxemia.

24 All health care contracts subject to this section and issued, amended, delivered, or
25 renewed in this state on or after January 1, 1977, shall be construed to be in compliance with
26 this section, and any provision in any such plan which is in conflict with this section shall be
27 of no force or effect.

28 (45) From and after January 1, 1998, no policy of disability insurance which provides
29 medical expense maternity benefits shall restrict benefits for any hospital length of stay in
30 connection with childbirth for the mother or newborn child in a manner that would be in
31 conflict with the newborns' and mothers' health protection act of 1996.

32 SECTION 6. That Section 41-4023, Idaho Code, be, and the same is hereby amended to
33 read as follows:

34 41-4023. COVERAGE FROM MOMENT OF BIRTH – COMPLICATIONS OF
35 PREGNANCY. (1) Every self-funded plan issued in this state or providing coverage to any
36 covered family residing within this state, shall contain a provision granting immediate accident
37 and sickness coverage, from and after the moment of birth, to each newborn child or infant of
38 any covered family covered, including a newborn child placed with the adoptive covered family
39 within sixty (60) days of the adopted child's date of birth. Coverage under the self-funded plan
40 for an adopted newborn child placed with the adoptive covered family more than sixty (60)
41 days after the birth of the adopted child shall be from and after the date the child is so placed.
42 Coverage provided in accordance with this section shall include, but not be limited to, coverage
43 for congenital anomalies. For the purposes of this section, "child" means an individual who
44 has not reached eighteen (18) years of age as of the date of the adoption or placement for
45 adoption. For the purposes of this section, "placed" shall mean physical placement in the care

1 of the adoptive covered family, or in those circumstances in which such physical placement is
2 prevented due to the medical needs of the child requiring placement in a medical facility, it
3 shall mean when the adoptive covered family signs an agreement for adoption of such child and
4 signs an agreement assuming financial responsibility for such child. Prior to legal finalization
5 of adoption, the coverage required under the provisions of this subsection (1) as to a child
6 placed for adoption with a covered family continues in the same manner as it would with
7 respect to a naturally born child of the covered family until the first to occur of the following
8 events:

9 (a) Date the child is removed permanently from that placement and the legal obligation
10 terminates; or

11 (b) The date the covered family rescinds, in writing, the agreement of adoption or
12 agreement assuming financial responsibility. No such plan may be issued or amended if it
13 contains any disclaimer, waiver, or other limitation of coverage relative to the coverage or
14 insurability of newborn or adopted children or infants of a covered family covered from
15 and after the moment of birth that is inconsistent with the provisions of this section.

16 (2) Neither the plan trustee or employer nor an insurer shall restrict coverage under a
17 self-funded plan of any dependent child adopted by a participant or beneficiary, or placed with
18 a participant or beneficiary for adoption, solely on the basis of a preexisting condition of the
19 child at the time the child would otherwise become eligible for coverage under the plan, if the
20 adoption or placement for adoption occurs while the participant or beneficiary is eligible for
21 coverage under the plan.

22 (3) No self-funded plan which provides maternity benefits for a person covered
23 continuously from conception shall be issued, amended, delivered, or renewed in this state
24 on or after January 1, 1977, if it contains any exclusion, reduction, or other limitations as to
25 coverage, deductibles, or coinsurance provisions as to involuntary complications of pregnancy,
26 unless such provisions apply generally to all benefits paid under the plan. If a fixed amount
27 is specified in such plan for surgery, the fixed amounts for surgical procedures involving
28 involuntary complications of pregnancy shall be commensurate with other fixed amounts
29 payable for procedures of comparable difficulty and severity. In a case where a fixed amount
30 is payable for maternity benefits, involuntary complications of pregnancy shall be deemed
31 an illness and entitled to benefits otherwise provided by the plan. Where the plan contains
32 a maternity deductible, the maternity deductible shall apply only to expenses resulting from
33 normal delivery and cesarean section delivery; however, expenses for cesarean section delivery
34 in excess of the deductible shall be treated as expenses for any other illness under the plan.
35 This subsection shall apply to all self-funded plans except any such plan made subject to an
36 applicable collective-bargaining agreement in effect before January 1, 1977.

37 For purposes of this subsection, involuntary complications of pregnancy shall include, but
38 not be limited to, puerperal infection, eclampsia, cesarean section delivery, ectopic pregnancy,
39 and toxemia.

40 All plans subject to this subsection and issued, amended, delivered, or renewed in this
41 state on or after January 1, 1977, shall be construed to be in compliance with this section, and
42 any provision in any such plan which is in conflict with this section shall be of no force or
43 effect.

44 (4) From and after January 1, 1998, no self-funded plan that provides maternity benefits
45 shall restrict benefits for any hospital length of stay in connection with childbirth for the mother

1 or newborn child in a manner that would be in conflict with the newborns' and mothers' health
2 protection act of 1996.

3 (5) Any new or renewing self-funded group disability plan or blanket disability plan
4 delivered or issued for delivery in this state shall provide that an unmarried child ~~under the~~
5 ~~age of twenty one (21) years or an unmarried child who is a full time student~~ under the age
6 of twenty-five (25) years and who ~~is financially dependent upon~~ receives more than one-half
7 (1/2) of his financial support from the parent shall be permitted to remain on the parent's or
8 parents' plan. Further, any unmarried child of any age who is medically certified as disabled
9 and financially dependent upon the parent is permitted to remain on the parent's or parents'
10 plan.

11 SECTION 7. That Section 41-4124, Idaho Code, be, and the same is hereby amended to
12 read as follows:

13 41-4124. SERVICES PROVIDED BY GOVERNMENTAL ENTITIES. (1) From and
14 after July 1, 2006, no joint public agency self-funded plan shall be issued in Idaho which

16 institution, provided the services to the subscriber would be covered by the contract if rendered
17 to him outside an Idaho state institution.

18 (2) From and after July 1, 2006, no joint public agency self-funded plan may contain
19 any provision denying or reducing benefits otherwise provided under the policy for the reason
20 that the person insured is receiving health or mental health care or developmental services
21 provided by the department of health and welfare, whether or not the department of health and
22 welfare bases its charges for such services on the recipient's ability to pay. Provided, nothing
23 in this section shall prevent the issuance of a contract which excludes or reduces benefits where
24 the charge level or amount of the charge levied by a governmental entity for such services
25 would vary or be affected in any way by the existence of coverage under a joint public agency
26 self-funded plan.

27 (3) Any new or renewing joint public agency self-funded plan delivered or issued for
28 delivery in this state shall provide that an unmarried child ~~under the age of twenty one (21)~~
