- (b) Rental utility trailer with a gross weight of two thousand (2,000) pounds or less

(4) As an option to the trailer and semitrailer and rental utility trailer annual registrations issued pursuant to subsection (3) of this section, the department may provide a nonexpiring

1 registration for trailers and semitrailers, and an optional, extended registration for rental utility
2 trailers.

3 (a) For trailers and semitrailers, the nonexpiring registration fee shall be one hundred
4 five dollars (\$105). The license plate originally issued shall remain on the trailer or
5 semitrailer until the registration is canceled. If the registrant does not transfer the plate
6 and registration to another trailer or semitrailer titled to the registrant, the plate and

16 canceled.

17 (b) For rental utility trailers, the registrant may prepay the annual registration for
18 an additional one (1), two (2), three (3) or four (4) years, but in no event shall the
19 optional registration period extend beyond five (5) years. The fee shall be as specified
20 in subsection (3)(b) or (c) of this section. A pressure-sensitive sticker shall be used to
21 validate the license plate. The license plate shall become void if the owner's interest in
22 the rental utility trailer changes during the five (5) year period. If the owner fails to enter
23 the rental utility trailer on the annual renewal application during the five (5) year period,
24 the registration record shall be purged. Any unrenewed plate shall be returned to the
25 department if it is not entered on the renewal application.

26 (5) A fleet registration option is available to owners who have twenty-five (25) or more
27 commercial or farm vehicles or any combination thereof. Such owners may register all of
28 their company vehicles with the department in lieu of registering with a county assessor. To
29 qualify the fleet must be owned and operated under the unified control of one (1) person
30 and the vehicles must be physically garaged and maintained in two (2) or more counties.
31 Fleet registration shall not include fleets of rental vehicles. The department shall provide
32 a registration application to the owner and the owner shall provide all information that the
33 department determines is necessary. The department shall devise a special license plate
34 numbering system for fleet-registered vehicles as an alternative to county license plates. The
35 fleet registration application and all subsequent registration renewals shall include the physical
36 address where a vehicle is principally used, garaged and maintained. The fleet owner shall
37 report the physical address to the department upon initial registration, on each renewal, and at
38 any time a vehicle registered under this option is permanently transferred to another location.

39 (6) If the ownership of a vehicle changes during the registration period, the original
40 owner may transfer the plate to another vehicle. The remaining fee shall be credited against the
41 cost of the new registration. Refunds may be given for any unexpired portion of the vehicle
42 registration fee if the plate is not transferred by the owner to another vehicle. Any request for
43 refund shall include surrender of the license plate, validation sticker and registration document.
44 Owners of vehicles registered under the international registration plan may request a refund
45 of the unexpired portion of the Idaho vehicle registration fee by presenting evidence from the
46 base jurisdiction that the license plate, validation sticker and registration document have been

1 surrendered. A license plate shall not be transferred to another owner when the ownership of a
 2 vehicle changes. The owner shall obtain a replacement plate, validation sticker if required, and
 3 a registration document when a plate is lost, destroyed or becomes illegible.

4 (7) An administrative fee of four dollars (\$4.00) shall be paid and deposited to the state
 5 highway account on all registrations completed by the department under subsection (1) or (8)(a)
 6 of this section. Vehicles registered under subsection (8)(b) of this section shall pay the fee
 7 provided in section 49-435(2), Idaho Code.

8 (8) There shall be paid on all commercial and farm vehicles having a maximum gross
 9 weight in excess of sixty thousand (60,000) pounds, a registration fee based upon the maximum
 10 gross weight of a vehicle as declared by the owner and the total number of miles driven
 11 on roads and highways in the state, county, city and highway district systems in Idaho, and
 12 if registered under the international registration plan (IRP), in all other jurisdictions. The
 13 appropriate registration fee shall be determined as follows:

14 (a) If the owner registers vehicles under the international registration plan (IRP), the
 15 appropriate mileage column shall be determined by the total miles an owner operated a
 16 fleet of vehicles on roads and highways in the state, county, city and highway district
 17 systems in Idaho and in all other jurisdictions in the preceding year, as defined in section
 18 49-117, Idaho Code, and by the maximum gross weight of each vehicle within a fleet.

19 (b) If the owner registers vehicles under the international registration plan and determines
 20 that the average international registration plan fleet miles, calculated by dividing the total
 21 IRP fleet miles in all jurisdictions by the number of registered vehicles, is less than fifty
 22 thousand one (50,001) miles, the owner may apply to the department for refund of a
 23 portion of the registration fees paid, consistent with the fee schedules set forth in this
 24 section. The department shall provide an application for the refund. An owner making
 25 application for refund under this section shall be subject to auditing as provided in section
 26 49-439, Idaho Code.

27 (c) If the owner is not registering vehicles under the international registration plan, the
 28 appropriate mileage column shall be determined by the total miles the owner operated
 29 each of the vehicles to be registered on roads and highways in the state, county, city
 30 and highway district systems in Idaho in the preceding year and by the maximum gross
 31 weight of each vehicle.

The permit so issued shall be specific to the motor vehicle to which it is issued. No permit or fee shall be transferable or apportionable to any other vehicle, nor shall any such fee be refundable.

The provisions of section 49-437(2), Idaho Code, shall not apply to vehicles registered under this subsection (8) (e).

1 (9) (a) During the first registration year that the fee schedule in subsection (8) (c) of this
2 section is in use, an owner shall use the mileage data from the records used to report
3 the mileage use fee in the immediately preceding year as the basis for determining the
4 appropriate registration fee schedule.

5 (b) Any owner who registers a motor vehicle for the first time and who has no mileage
6 history for the vehicle shall estimate the miles to determine the appropriate fee schedule
7 in subsection (8) (c) of this section. When estimating the miles, the owner shall provide a
8 statement on the application of the method used to arrive at the estimated miles.

9 (c) Any owner using any fee schedule other than the highest fee schedule under
10 subsection (8)(c) of this section, shall certify at the time of registration that the miles
11 operated in the preceding year do not exceed the schedule applied for. Any owner using

16 pay the full annual registration fee at the time of registration or renewal of registration, or an
