

**STATEMENT OF PURPOSE**

**RS18507**

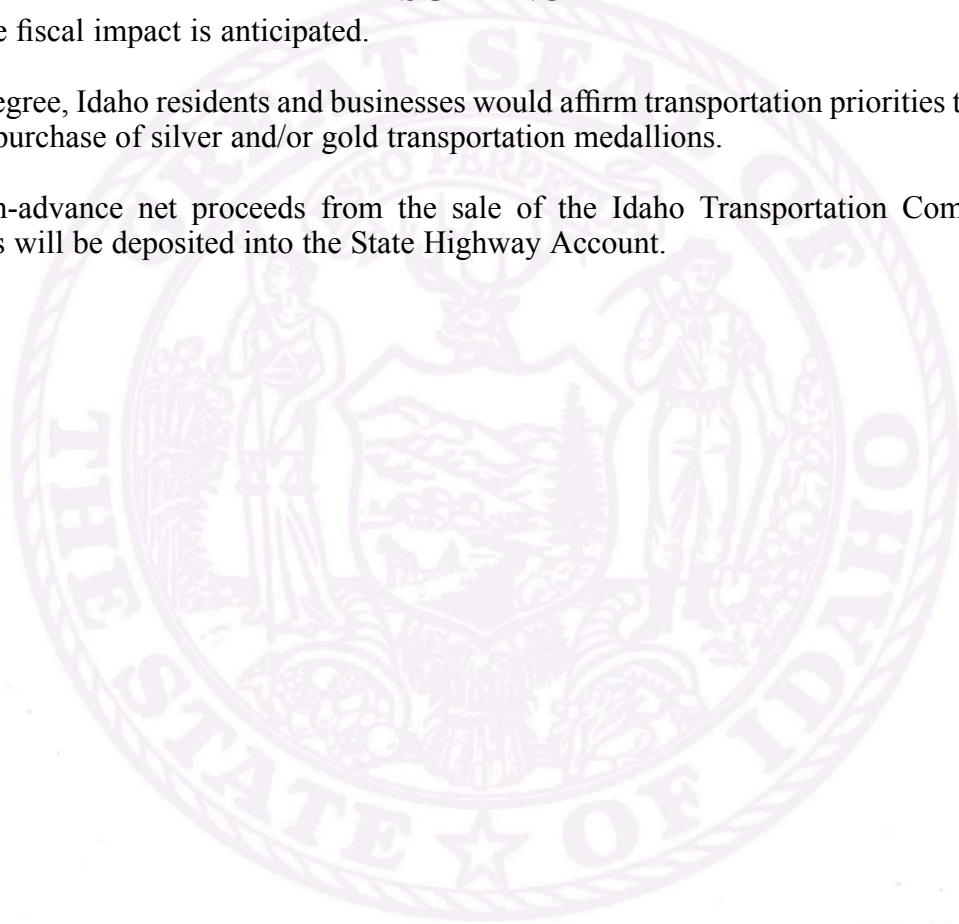

This legislation provides a voluntary source of funding for Idahoans for highway maintenance, construction, and other needed transportation projects through the sale of silver and/or gold commemorative transportation medallions issued by the State Treasurer.

**FISCAL NOTE**

No adverse fiscal impact is anticipated.

To some degree, Idaho residents and businesses would affirm transportation priorities through their voluntary purchase of silver and/or gold transportation medallions.

All paid-in-advance net proceeds from the sale of the Idaho Transportation Commemorative Medallions will be deposited into the State Highway Account.
