 36 (7) of this section, the time that elapses between the date of commission of the offense and the
 37 date the defendant pleads guilty or is found guilty for the pending offense shall be excluded. If
 38 the determination of guilt against the defendant is reversed upon appeal, the time that elapsed
 39 between the date of the commission of the offense and the date the defendant pleads guilty or is
 40 found guilty following the appeal shall also be excluded.

41 (7) Notwithstanding the provisions of subsections (4) and (5) of this section, any person
 42 who has pled guilty or has been found guilty of a felony violation of the provisions of section

 44 a violation of the provisions of section 18-8006, Idaho Code, a violation of the provisions
 45 of section 18-4006 3.(b), Idaho Code, or any substantially conforming foreign criminal felony
 46 violation, and within fifteen (15) years pleads guilty or is found guilty of a further violation

1 of the provisions of section 18-8004, Idaho Code, shall be guilty of a felony and shall be
2 sentenced pursuant to subsection (5) of this section.

3 (8) For the purpose of subsections (4), (5) and (7) of this section and the provisions
4 of section 18-8004C, Idaho Code, a substantially conforming foreign criminal violation exists
5 when a person has pled guilty to or has been found guilty of a violation of any federal law or
6 law of another state, or any valid county, city, or town ordinance of another state substantially
7 conforming to the provisions of section 18-8004, Idaho Code. The determination of whether a
8 foreign criminal violation is substantially conforming is a question of law to be determined by
9 the court.

10 (9) Any person who pleads guilty to or is found guilty of a violation of the provisions
11 of section 18-8004, 18-8004C or 18-8006, Idaho Code, shall undergo, at his own expense,
12 (or at county expense through the procedures set forth in chapters 34 and 35, title 31, Idaho
13 Code,) and prior to the sentencing date, an alcohol evaluation by an alcohol evaluation
14 facility approved by the Idaho department of health and welfare; provided however, if the
15 defendant has no prior or pending charges with respect to the provisions of section 18-8004,
16 18-8004C or 18-8006, Idaho Code, and the court has the records and information required
17 under subsections (10)(a), (b) and (c) of this section or possesses information from other
18 reliable sources relating to the defendant's use or nonuse of alcohol or drugs which does not
19 give the court any reason to believe that the defendant regularly abuses alcohol or drugs and
20 is in need of treatment, the court may, in its discretion, waive the evaluation with respect to
21 sentencing for a violation of section 18-8004 or 18-8004C(1), Idaho Code, and proceed to
22 sentence the defendant. The court may also, in its discretion, waive the requirement of an
23 alcohol evaluation with respect to a defendant's violation of the provisions of section 18-8004,
24 18-8004C or 18-8006, Idaho Code, and proceed to sentence the defendant if the court has a
25 presentence investigation report, substance abuse assessment, criminogenic risk assessment,
26 or other assessment which evaluates the defendant's degree of alcohol abuse and need for
27 alcohol treatment conducted within twelve (12) months preceding the date of the defendant's
28 sentencing. In the event an alcohol evaluation indicates the need for alcohol treatment, the
29 evaluation shall contain a recommendation by the evaluator as to the most appropriate treatment
30 program, together with the estimated cost thereof, and recommendations for other suitable
31 alternative treatment programs, together with the estimated costs thereof. The person shall
32 request that a copy of the completed evaluation be forwarded to the court. The court shall
33 take the evaluation into consideration in determining an appropriate sentence. If a copy of the
34 completed evaluation has not been provided to the court, the court may proceed to sentence
35 the defendant; however, in such event, it shall be presumed that alcohol treatment is required
36 unless the defendant makes a showing by a preponderance of evidence that treatment is not
37 required. If the defendant has not made a good faith effort to provide the completed copy of
38 the evaluation to the court, the court may consider the failure of the defendant to provide the
39 report as an aggravating circumstance in determining an appropriate sentence. If treatment is
40 ordered, in no event shall the person or facility doing the evaluation be the person or facility
41 that provides the treatment unless this requirement is waived by the sentencing court, with the
42 exception of federally recognized Indian tribes or federal military installations, where diagnosis
43 and treatment are appropriate and available. Nothing herein contained shall preclude the use of
44 funds authorized pursuant to the provisions of chapter 3, title 39, Idaho Code, for court-ordered
45 alcohol treatment for indigent defendants.

46 (10) At the time of sentencing, the court shall be provided with the following information:

- 1 (a) The results, if administered, of any evidentiary test for alcohol and/or drugs;
 2 (b) A computer or teletype or other acceptable copy of the person's driving record;
 3 (c) Information as to whether the defendant has pled guilty to or been found guilty of
 4 violation of the provisions of section 18-8004, 18-8004C or 18-8006, Idaho Code, or a
 5 similar offense within the past five (5) years, notwithstanding the form of the judgment(s)
 6 or withheld judgment(s); and
 7 (d) The alcohol evaluation required in subsection (9) of this section, if any.

8 (11) A minor may be prosecuted for a violation of the provisions of section 18-8004
 9 or 18-8004C, Idaho Code, under chapter 5, title 20, Idaho Code. In addition to any other
 10 penalty, if a minor pleads guilty to or is found guilty of a violation of the provisions of
 11 section 18-8004(1)(a), (b) or (c) or 18-8004C, Idaho Code, he shall have his driving privileges
 12 suspended or denied for an additional one (1) year following the end of any period of
 13 suspension or revocation existing at the time of the violation, or until he reaches the age of
 14 twenty-one (21) years, whichever period is greater. During the period of additional suspension
 15 or denial, absolutely no driving privileges shall be allowed.

16 (12) In the event that the alcohol evaluation required in subsection (9) of this section
 17 recommends alcohol treatment, the court shall order the person to complete a treatment
 18 program in addition to any other sentence which may be imposed, unless the court determines
 19 that alcohol treatment would be inappropriate or undesirable, in which event, the court shall
 20 enter findings articulating the reasons for such determination on the record. The court shall
 21 order the defendant to complete the preferred treatment program set forth in the evaluation, or a
 22 comparable alternative, unless it appears that the defendant cannot reasonably obtain adequate
 23 financial resources for such treatment. In that event, the court may order the defendant to
 24 complete a less costly alternative set forth in the evaluation, or a comparable program. Such
 25 treatment shall, to the greatest extent possible, be at the expense of the defendant. In the event
 26 that funding is provided for or on behalf of the defendant by an entity of state government,
 27 restitution shall be ordered to such governmental entity in accordance with the restitution
 28 procedure for crime victims, as specified under chapter 53, title 19, Idaho Code. Nothing
 29 contained herein shall be construed as requiring a court to order that a governmental entity shall
 30 provide alcohol treatment at government expense unless otherwise required by law.

31 (13) Any person who is disqualified, or whose driving privileges have been suspended,
 32 revoked or canceled under the provisions of this chapter, shall not be granted restricted driving
 33 privileges to operate a commercial motor vehicle.

34 SECTION 4. That Section 18-8006, Idaho Code, be, and the same is hereby amended to
 35 read as follows:

36 18-8006. AGGRAVATED DRIVING WHILE UNDER THE INFLUENCE OF
