

STATEMENT OF PURPOSE

RS18696

This legislation repeals 40-1329, which is in conflict with 63-803. Highway districts are required by 40-1329 to complete and finalize their budgets no later than the Tuesday following the first Monday in September for the ensuing fiscal year. 63-803(3) provides that certification of the budget to the county commissioners is to occur not later than the Thursday prior to the second Monday in September. This legislation requires Highway Districts to follow the provisions of 63-803(3) and not reference a different date or statute that is obsolete.

FISCAL NOTE

There is no fiscal impact to the state or local units of government.
