36 shall ... make anything but gold and silver coin a tender in payment of debts ...." The intent of  
37 this act is to use the abundant silver resources of the state of Idaho to create a means whereby  
38 the people of Idaho can pay their taxes to the state using silver mined from the ground of  
39 Idaho, processed in Idaho and finally minted in Idaho. It is the intent of the Legislature to

1 create mining jobs in Idaho while giving the people of Idaho a means to store their wealth in a  
2 precious metal that is immune from the effects of inflation while complying with the mandates  
3 of our federal Constitution.

4 SECTION 2. That Section 63-3022, Idaho Code, be, and the same is hereby amended to  
5 read as follows:

6 63-3022. ADJUSTMENTS TO TAXABLE INCOME. The additions and subtractions  
7 set forth in this section, and in sections 63-3022A through 63-3022Q, Idaho Code, are to be  
8 applied to the extent allowed in computing Idaho taxable income:

9 (a) Add any state and local taxes, as defined in section 164 of the Internal Revenue Code  
10 and, measured by net income, paid or accrued during the taxable year adjusted for state or local  
11 tax refunds used in arriving at taxable income.

12 (b) Add the net operating loss deduction used in arriving at taxable income.

13 (c) (1) A net operating loss for any taxable year commencing on and after January  
14 1, 2000, shall be a net operating loss carryback not to exceed a total of one hundred  
15 thousand dollars (\$100,000) to the two (2) immediately preceding taxable years. Any  
16 portion of the net operating loss not subtracted in the two (2) preceding years may be  
17 subtracted in the next twenty (20) years succeeding the taxable year in which the loss  
18 arises in order until exhausted. The sum of the deductions may not exceed the amount  
19 of the net operating loss deduction incurred. At the election of the taxpayer, the two (2)  
20 year carryback may be foregone and the loss subtracted from income received in taxable  
21 years arising in the next twenty (20) years succeeding the taxable year in which the loss  
22 arises in order until exhausted. The election shall be made as under section 172(b)(3)  
23 of the Internal Revenue Code. An election under this subsection must be in the manner  
24 prescribed in the rules of the state tax commission and once made is irrevocable for the  
25 year in which it is made. The term "income" as used in this subsection (c) means Idaho  
26 taxable income as defined in this chapter as modified by section 63-3021(b)(2), (3) and  
27 (4), Idaho Code.

28 (2) Net operating losses incurred by a corporation during a year in which such  
29 corporation did not transact business in Idaho or was not included in a group of  
30 corporations combined under subsection (t) of section 63-3027, Idaho Code, may not  
31 be subtracted. However, if at least one (1) corporation within a group of corporations  
32 combined under subsection (t) of section 63-3027, Idaho Code, was transacting business  
33 in Idaho during the taxable year in which the loss was incurred, then the net operating  
34 loss may be subtracted. Net operating losses incurred by a person, other than a  
35 corporation, in activities not taxable by Idaho may not be subtracted.

36 (d) In the case of a corporation, add the amount deducted under the provisions of  
37 sections 243(a) and (c), 244, 245 and 246A of the Internal Revenue Code (relating to dividends  
38 received by corporations) as limited by section 246(b)(1) of said code.

44 (g) For the purpose of determining the Idaho taxable income of the beneficiary of a trust  
45 or of an estate:

1 (1) Distributable net income as defined for federal tax purposes shall be corrected for the  
2 other adjustments required by this section.

3 (2) Net operating losses attributable to a beneficiary of a trust or estate under section 642  
4 of the Internal Revenue Code shall be a deduction for the beneficiary to the extent that  
5 income from the trust or estate would be attributable to this state under the provisions of  
6 this chapter.

7 (h) In the case of an individual who is on active duty as a full-time officer, enlistee  
8 or draftee, with the armed forces of the United States, which full-time duty is or will be  
9 continuous and uninterrupted for one hundred twenty (120) consecutive days or more, deduct  
10 compensation paid by the armed forces of the United States for services performed outside this  
11 state. The deduction is allowed only to the extent such income is included in taxable income.

12 (i) In the case of a corporation, including any corporation included in a group of  
13 corporations combined under subsection (t) of section 63-3027, Idaho Code, add any capital  
14 loss deducted which loss was incurred during any year in which such corporation did not  
15 transact business in Idaho. However, do not add any capital loss deducted if a corporation,  
16 including any corporation in a group of corporations combined under subsection (t) of section  
17 63-3027, Idaho Code, was transacting business in Idaho during the taxable year in which  
18 the loss was incurred. In the case of persons, other than corporations, add any capital loss  
19 deducted which was incurred in activities not taxable by Idaho at the time such loss was

23 the Internal Revenue Code.

24 (j) In the case of an individual, there shall be allowed as a deduction from gross income  
25 either (1) or (2) at the option of the taxpayer:

26 (1) The standard deduction as defined in section 63, Internal Revenue Code.

27 (2) Itemized deductions as defined in section 63 of the Internal Revenue Code except  
28 state or local taxes measured by net income and general sales taxes as either is defined in  
29 section 164 of the Internal Revenue Code.

30 (k) Add the taxable amount of any lump sum distribution excluded from gross income  
31 for federal income tax purposes under the ten (10) year averaging method. The taxable amount  
32 will include the ordinary income portion and the amount eligible for the capital gain election.

33 (l) Deduct any amounts included in gross income under the provisions of section 86 of  
34 the Internal Revenue Code relating to certain social security and railroad benefits.

35 (m) In the case of a self-employed individual, deduct the actual cost of premiums paid  
36 to secure worker's compensation insurance for coverage in Idaho, if such cost has not been  
37 deducted in arriving at taxable income.

38 (n) In the case of an individual, deduct the amount contributed to a college savings  
39 program pursuant to chapter 54, title 33, Idaho Code, but not more than four thousand dollars  
40 (\$4,000) per tax year. If the contribution is made on or before April 15, 2001, it may be  
41 deducted for tax year 2000 and an individual can make another contribution and claim the  
42 deduction according to the limits provided in this subsection during 2001 for tax year 2001, as  
43 long as the contribution is made on or before December 31, 2001.

44 (o) In the case of an individual, add the amount of a nonqualified withdrawal from an  
45 individual trust account or savings account established pursuant to chapter 54, title 33, Idaho

6 operated by a state other than Idaho. The addition provided in this subsection is limited to the  
7 amount of the total contributions to the Idaho individual trust account or savings account by the  
8 account owner in the twelve (12) months preceding the date of the transfer.

9 (q) In the case of an individual or corporation qualifying for the property tax exemption  
10 provided for in section 63-4603, Idaho Code, deduct the amount attributable to the silver  
11 production facility. The deduction provided for in this subsection (q) shall be limited to ten  
12 (10) years, with such period beginning at the time of the issuance of a certificate of occupancy  
13 by the local authority having jurisdiction at the commencement of production at such silver  
14 facility, whichever event occurs first.

15 SECTION 3. That Title 63, Idaho Code, be, and the same is hereby amended by the  
16 addition thereto of a NEW CHAPTER, to be known and designated as Chapter 46, Title 63,

29 the medallions and bars for the payment of taxes and fees, the treasurer shall value them at  
30 the same value that they are offered to the public. When there is a limited amount of silver

1 that all moneys received from the sale of medallions are paid into the state treasury and  
2 credited to the state veterans cemetery maintenance fund created in section 65-107, Idaho Code.  
3 Provided however, the state treasurer is hereby authorized to retain such amounts from the  
4 sale of medallions as necessary to repay costs incurred by the state treasurer in the promotion,  
5 shipping and handling of medallions. Provided further, if the initial cost to mint a series of  
6 medallions is provided by moneys from another state fund, then such other fund shall first  
7 be reimbursed for such costs before the remaining revenues are credited to the state veterans  
8 cemetery maintenance fund. The revenues shall be used for the purposes designated in section  
9 65-107, Idaho Code.

10 (3) The state treasurer, in collaboration with a committee of legislators comprised of

25 advantage, the person shall owe to the state treasurer, as the agent of the state of Idaho, a  
26 royalty fee in addition to the revenues derived from the sale of products using a medallion  
27 or Idaho Gem design. Any person who reproduces a trademark design and distributes  
28 any product with a medallion or Idaho Gem design in violation of the provisions of this  
29 subsection (4), shall be deemed to be an infringer of the state of Idaho's trademark. The  
30 state treasurer, through the office of the attorney general, is entitled to institute an action

38 for any profits the infringer has incurred reproducing a trademark design and distributing  
39 products using the design for commercial purposes or is liable for statutory damages as  
40 provided in paragraph (d) of this subsection (4).

41 (d) The state treasurer, as agent of the trademark owner, may elect, at any time before  
42 final judgment is rendered, to recover, instead of actual damages and profits, an award of  
43 statutory damages for all infringements involved in the action, with respect to a trademark  
44 medallion or Idaho Gem design for which any one (1) infringer is liable individually, or  
45 for which any two (2) or more infringers are liable jointly and severally, in a sum of not

1 less than two hundred fifty dollars (\$250) or more than ten thousand dollars (\$10,000), as  
 2 the court considers just.

3 (e) In any civil action under this subsection (4), the court may allow the recovery of  
 4 full costs by or against any party and may also award reasonable attorney's fees to the  
 5 prevailing party as part of the costs.

6 (5) Medallions in the first series issued shall commemorate "Support of Idaho's Heroes"  
 7 to honor the courage and sacrifice of all Idaho servicemen and veterans of the United States
