

# STATEMENT OF PURPOSE

## RS19006

This is the Fiscal Year 2010 appropriation for the Division of Facilities portion of the Public Schools budget. The piece of the Public Schools budget that is part of this division's appropriation includes funding for the Bond Levy Equalization program in the amount of \$17,900,000. Typically, this division's budget also includes 1) School facilities funding (from lottery funds) and 2) the state's portion of school facilities maintenance match dollars. However, for fiscal year 2010, there is a transfer of lottery dollars to the Division of Operations budget to be used as discretionary funds and intent language that relieves the state from the requirement to provide school maintenance matching funds. Both of these changes address the issue of declining General Fund revenue for FY 2010.
