The bill also includes a trailer appropriation to S1141a (Fish and Game fee increase) as follows: 1) \$250,000 for Wildlife Habitat Restoration; 2) \$50,000 for Pheasant Stocking; 3) \$8,200 for Fire Protection and \$41,800 for Weed Protection; 4) \$1,400,000 for Family Fishing Waters (of which \$1,050,000 is federal Dingell-Johnson sport fisheries money); 5) \$350,000 for Hatchery Trout Production; and 6) \$12,000 for outreach for the Kids in the Outdoors program. Of the total, \$1,062,000 is from Fish and Game Licenses and \$1,050,000 if from federal matching funds. The trailer includes \$1,412,000 in operating expenditures and \$700,000 in one-time capital outlay for a total of \$2,112,000. Note: the fiscal impact of S1141a is estimated at \$2.5 million but only \$1.1 million in additional spending authority is provided. Additional revenues will be used to cash flow existing programs and defer the need for additional fee increases.
