SECTION 2. In accordance with Section 67-3519, Idaho Code, the Industrial Commission is authorized no more than one hundred forty-one and one-half (141.5) full-time equivalent positions at any point during the period July 1, 2009, through June 30, 2010, for the programs specified in Section 1 of this act, unless specifically authorized by the Governor. The Joint Finance-Appropriations Committee will be notified promptly of any increased positions so authorized.

SECTION 3. LEGISLATIVE INTENT. It is the intent of the Legislature to retain to the extent possible, our capable, quality employees who support the essential services and statutorily authorized programs that the citizens of Idaho expect. The Legislature finds these critical essential services to be those that maintain the health and safety of our citizens and the education of our children. While extending flexibility to the Governor and agency directors to manage the state workforce to the best of their ability during these difficult times, it remains the responsibility of the Legislature to identify priorities for the state workforce. The Legislature finds that reductions in personnel funding shall first be managed through salary reductions that impact all personnel fairly; secondly, be mitigated by the use of existing salary savings; thirdly, by using savings created by keeping newly vacated positions unfilled; fourth, by the use of furloughs; and lastly, as a last resort, by reducing the workforce. It is the intent of the Legislature that these policies shall be adhered to by the executive, legislative, and judicial branches to the extent allowed by law.

SECTION 4. SALARY REDUCTION. Inasmuch as salary reductions will save jobs; and inasmuch as a five percent (5%) reduction in personnel funding may create a reduction in force; and inasmuch as the state as a single employer of multiple departments and agencies is required by law to direct across the board salary adjustments; agencies and institutions shall reduce all salaries of classified and nonclassified employees, regardless of fund source, by three percent (3%) for fiscal year 2010, beginning on June 14, 2009, through June 12, 2010. Agencies shall use personnel cost savings, furloughs, and a reduction in force to manage the remaining two percent (2%) in funding reductions. The Division of Human Resources shall adjust all pay schedules for the classified personnel system downward to the extent that all beginning minimum salaries are three percent (3%) less than those in effect upon the date of passage of this law.

SECTION 5. COMMISSIONER SALARY REDUCTIONS. Notwithstanding the provisions of Section 61-215, Idaho Code, the salaries for the Industrial Commissioners shall be \$87,020 for the period July 1, 2009, through June 30, 2010.

1 SECTION 6. An emergency existing therefor, which emergency is hereby declared to
2 exist, Sections 4 and 5 of this act shall be in full force and effect on and after passage and
3 approval.
