

STATEMENT OF PURPOSE

RS19106

This is a trailer appropriation to H334, H338aa, H226, and S1130 in the amount of \$27,713,300 to the Idaho Department of Transportation for Fiscal Year 2010.

H334 increases the fees that the Division of Motor Vehicles will charge for services and will generate up to \$5,458,300 in FY 2010 and \$13,100,000 in FY 2011.

H338aa repeals the 2.5 cents/gallon ethanol exemption and directs 7% of gasoline and fuels tax revenue directly to the State Highway Account. This will generate \$16,400,000 in FY 2010.

H226 allows the Idaho Transportation Department to negotiate and create special trailer or semi-trailer Idaho North American permanent plates for the shipping industry and is estimated to generate up to \$5,000,000 in FY 2010.

S1130 limits the number of temporary trip permits issued in lieu of vehicle registration and is estimated to generate up to \$855,000 in FY 2010 and \$1,026,000 in FY 2011.

FISCAL NOTE

H334, H338aa, H226, and S1130 are estimated to generate up to \$27,713,300 in additional revenue for the Idaho Transportation Department in Fiscal Year 2010.
