

STATEMENT OF PURPOSE

RS18410

The purpose of this RS is to afford parents of multiple birth siblings the option to have their children placed in the same classroom in public schools; subject, however, to exceptions pursuant to which public school administrators may separate the siblings, including (i) where factual evidence shows that the siblings should be separated; and (ii) where the assignment of such siblings would required the public school district to add an additional class to the grade level of the siblings.

FISCAL NOTE

There is no fiscal impact to the General Fund.
