10 Be It Enacted by the Legislature of the State of Idaho:

11 SECTION 1. That Section 39-1602, Idaho Code, be, and the same is hereby amended to
 12 read as follows:

13 39-1602. DEFINITIONS. As used in this chapter:

14 (1) "Commissary" means a place where food, containers or supplies are stored, prepared
 15 or packaged for transit, sale or service at other locations.

16 (2) "Food establishment" means those operations in the food business such as, but not
 17 limited to, food processing establishments, canning factories, salvage processing facilities, food
 18 service establishments, cold storage plants, commissaries, warehouses, food vending machine
 19 operations and location, caterers, mobile food units and retail food stores. Such operations
 20 include all activities under the control of the license holder including preparation, processing,
 21 storage, service, transportation vehicles, satellite locations, divisions and departments, and
 22 remote feeding sites. The term includes operations which are conducted in permanent,
 23 temporary or mobile facilities or locations. It includes any food operation regardless of
 24 whether consumption is on or off the premises and regardless of whether there is a charge
 25 for the food. Individual divisions and departments on one (1) premises and under common
 26 ownership shall as a whole be considered a single food establishment. The term "food
 27 establishment" does not include:

- 28 (a) Private homes where food is prepared or served for individual family consumption;
- 29 (b) Fraternal, benevolent or nonprofit charitable organizations which do not prepare or
 30 serve food on a regular basis. Food shall not be considered to be served on a regular
 31 basis if the food is served for a period not to exceed five (5) consecutive days on no more
 32 than three (3) occasions per year for foods which are not potentially hazardous, or if the
 33 food is served no more than one (1) meal a week for all other foods;
- 34 (c) Bed and breakfast establishments with ten (10) or fewer beds;
- 35 (d) Establishments which offer only factory-sealed foods that are not potentially
 36 hazardous;
- 37 (e) Agricultural markets; and

1 (f) Agricultural equipment used for the extraction or harvest of an agricultural product
2 including, but not limited to, mint stills.

3 (3) "Intermittent food establishment" means a food vendor that operates for a period of
4 time, not to exceed three (3) days per week, at a single, specified location in conjunction with
5 a recurring event and that offers potentially hazardous food to the general public. Examples of
6 a recurring event may be a farmers' or community market or a holiday market. "Intermittent
7 food establishment" does not include the vendor of farm fresh ungraded eggs at a recurring
8 event.

9 (4) "Mobile food establishment" means a food establishment selling or serving food for
10 human consumption from any vehicle or other temporary or itinerant station and includes any
11 movable food service establishment, truck, van, trailer, pushcart, bicycle, watercraft or other
12 movable food service with or without wheels, including hand-carried, portable containers in or
13 on which food or beverage is transported, stored or prepared for retail sale or given away at
14 temporary locations.

15 ~~(25)~~ "Potentially hazardous food" means any food or ingredient, natural or synthetic,
16 in a form capable of supporting the rapid and progressive growth of infectious or toxigenic
17 microorganisms or the slower growth of clostridium botulinum. Included is any food of animal
18 origin, either raw or heat treated and any food of plant origin which has been heat treated or
19 which is raw seed sprouts; cut melons; and garlic and oil mixtures. The term "potentially
20 hazardous food" does not include:

21 (a) Air-dried hard-boiled eggs with shells intact;

22 (b) Foods with a water activity (aw) value of eighty-five hundredths (0.85) or less;

23 (c) Foods with a pH (hydrogen ion concentration) level of four and six-tenths (4.6) or
24 below when measured at seventy-five (75) degrees Fahrenheit;

25 (d) Foods in unopened hermetically-sealed containers which have been commercially
26 processed to achieve and maintain commercial sterility under conditions of
27 nonrefrigerated storage and distribution;

28 (e) Foods for which laboratory evidence, acceptable to the regulatory authority,
29 demonstrates that rapid and progressive growth of infectious and toxigenic
30 microorganisms or the slower growth of clostridium botulinum cannot occur;

31 (f) Milk, half-and-half cream, butter products, frozen dairy desserts and other fluid milk
32 products, in the original unopened container; and

33 (g) Any other food items determined by the department of health and welfare not to be
34 potentially hazardous.

35 ~~(36)~~ "Regulatory authority" means the director of the Idaho department of health and
36 welfare or the director's designee.

37 (7) "Temporary food establishment" means a food establishment that operates for a
38 period of not more than fourteen (14) consecutive days in conjunction with a single event or
39 celebration.

40 SECTION 2. That Section 39-1607, Idaho Code, be, and the same is hereby amended to
41 read as follows:

22 (2) licenses on one (1) premises under common ownership.

23 (2) A license issued to a temporary or intermittent food establishment by a regulatory
24 authority shall be valid only for the celebration or event for which the license was issued;
25 however, no additional license fee will be charged by a regulatory authority to a temporary or
26 intermittent food establishment for other celebrations or events within the same calendar year
27 and with the same menu.

28 (3) Fees collected for licensing a food establishment shall be used by the designated
29 regulatory authority for funding a portion of the food safety inspection program. ~~Any funds~~
30 ~~remaining in the food safety fund after the effective date of this act shall be paid to the~~
31 ~~designated regulatory authority that collected the fee.~~

32 (4) On and after January 1, 2010, the regulatory authority shall review at three (3) year
33 intervals the cost data associated with the operation of the food inspection program as well as
34 actions taken to increase the efficiency of such program and provide a report on same to the
35 health and welfare committees of the Idaho legislature.
