 19 vestment Board is authorized no more than four (4) full-time equivalent positions at any point  
 20 during the period July 1, 2009, through June 30, 2010, for the program specified in Section 1  
 21 of this act, unless specifically authorized by the Governor. The Joint Finance-Appropriations  
 22 Committee will be notified promptly of any increased positions so authorized.

23 SECTION 3. The Endowment Fund Investment Board is hereby granted continuous ap-  
 24 propriation authority for moneys in the Endowment Administrative Fund for consulting fees,  
 25 bank custodial fees and portfolio-related external costs for the period July 1, 2009, through June  
 26 30, 2010.

27 SECTION 4. It is legislative intent that for fiscal year 2009, the Endowment Fund In-  
 28 vestment Board transfer \$45,655,200 as follows: \$31,292,400 from the Public School Earnings

6 SECTION 5. LEGISLATIVE INTENT. It is the intent of the Legislature to retain to the  
7 extent possible, our capable, quality employees who support the essential services and statuto-  
8 rily authorized programs that the citizens of Idaho expect. The Legislature finds these critical  
9 essential services to be those that maintain the health and safety of our citizens and the ed-  
10 ucation of our children. While extending flexibility to the Governor and agency directors to  
11 manage the state workforce to the best of their ability during these difficult times, it remains the  
12 responsibility of the Legislature to identify priorities for the state workforce. The Legislature  
13 finds that reductions in personnel funding shall first be managed through salary reductions that  
14 impact all personnel fairly; secondly, be mitigated by the use of existing salary savings; thirdly,  
15 by using savings created by keeping newly vacated positions unfilled; fourth, by the use of fur-  
16 loughs; and lastly, as a last resort, by reducing the workforce. It is the intent of the Legislature  
17 that these policies shall be adhered to by the executive, legislative, and judicial branches to the  
18 extent allowed by law.

19 SECTION 6. SALARY REDUCTION. Inasmuch as salary reductions will save jobs; and  
20 inasmuch as a five percent (5%) reduction in personnel funding may create a reduction in force;  
21 and inasmuch as the state as a single employer of multiple departments and agencies is required  
22 by law to direct across the board salary adjustments; agencies and institutions shall reduce all  
23 salaries of classified and nonclassified employees, regardless of fund source, by three percent  
24 (3%) for fiscal year 2010, beginning on June 14, 2009, through June 12, 2010. Agencies shall  
25 use personnel cost savings, furloughs, and a reduction in force to manage the remaining two  
26 percent (2%) in funding reductions. The Division of Human Resources shall adjust all pay  
27 schedules for the classified personnel system downward to the extent that all beginning mini-  
28 mum salaries are three percent (3%) less than those in effect upon the date of passage of this  
29 law.

30 SECTION 7. An emergency existing therefor, which emergency is hereby declared to  
31 exist, Section 6 of this act shall be in full force and effect on and after passage and approval.
