 15

16 Be It Enacted by the Legislature of the State of Idaho:

17 SECTION 1. That Section 36-106, Idaho Code, be, and the same is hereby amended to
 18 read as follows:

19 36-106. DIRECTOR OF DEPARTMENT OF FISH AND GAME. (a) Office of Director
 20 Created. The commission shall appoint a director of the department of fish and game,
 21 hereinafter referred to as the director, who shall be a person with knowledge of, and experience
 22 in, the requirements for the protection, conservation, restoration, and management of the
 23 wildlife resources of the state. The director shall not hold any other public office, nor any
 24 office in any political party organization, and shall devote his entire time to the service of the
 25 state in the discharge of his official duties, under the direction of the commission.

26 (b) Secretary to Commission. The director or his designee shall serve as secretary to the
 27 commission.

28 (c) Compensation and Expenses. The director shall receive such compensation as the
 29 commission, with the concurrence and approval of the governor, may determine and shall
 30 be reimbursed at the rate provided by law for state employees for all actual and necessary
 31 traveling and other expenses incurred by him in the discharge of his official duties.

32 (d) Oath and Bond. Before entering upon the duties of his office, the director shall take
 33 and subscribe to the official oath of office, as provided by section 59-401, Idaho Code, and
 34 shall, in addition thereto, swear and affirm that he holds no other public office, nor any position
 35 under any political committee or party. Such oath, or affirmation, shall be signed in the office
 36 of the secretary of state.

37 The director shall be bonded to the state of Idaho in the time, form and manner prescribed
 38 by chapter 8, title 59, Idaho Code.

1 (e) Duties and Powers of Director.

2 1. The director shall have general supervision and control of all activities, functions, and
3 employees of the department of fish and game, under the supervision and direction of the
4 commission, and shall enforce all the provisions of the laws of the state, and rules and
5 proclamations of the commission relating to wild animals, birds, and fish and, further,
6 shall perform all the duties prescribed by section 67-2405, Idaho Code, and other laws of
7 the state not inconsistent with this act, and shall exercise all necessary powers incident
8 thereto not specifically conferred on the commission.

9 2. The director is hereby authorized to appoint as many classified employees as the
10 commission may deem necessary to perform administrative duties, to enforce the laws
11 and to properly implement management, propagation, and protection programs established
12 for carrying out the purposes of the Idaho fish and game code.

13 3. The appointment of such employees shall be made by the director in accordance with
14 chapter 53, title 67, Idaho Code, and rules promulgated pursuant thereto, and they shall be
15 compensated as provided therein. Said employees shall be bonded to the state of Idaho in
16 the time, form, and manner prescribed by chapter 8, title 59, Idaho Code.

17 4. The director is hereby authorized to establish and maintain fish hatcheries for the
18 purpose of hatching, propagating, and distributing all kinds of fish.

19 5. (A) The director, or any person appointed by him in writing to do so, may take
20 wildlife of any kind, dead or alive, or import the same, subject to such conditions,
21 restrictions and rules as he may provide, for the purpose of inspection, cultivation,
22 propagation, distribution, scientific or other purposes deemed by him to be of
23 interest to the fish and game resources of the state.

24 (B) The director shall have supervision over all of the matters pertaining to
25 the inspection, cultivation, propagation and distribution of the wildlife propagated
26 under the provisions of title 36, Idaho Code. He shall also have the power and
27 authority to obtain, by purchase or otherwise, wildlife of any kind or variety which
28 he may deem most suitable for distribution in the state and may have the same
29 properly cared for and distributed throughout the state of Idaho as he may deem
30 necessary.

31 (C) The director is hereby authorized to issue a license/tag/permit to a nonresident
32 landowner who resides in a contiguous state for the purpose of taking one (1)
33 animal during an emergency depredation hunt which includes the landowner's
34 Idaho property subject to such conditions, restrictions or rules as the director may
35 provide. The fee for this license/tag/permit shall be equal to the costs of a resident
36 hunting license, a resident tag fee and a resident depredation permit.

37 (D) Unless relocation is required pursuant to subparagraph (E) herein,
38 ~~Notwithstanding the provisions of section 36-408, Idaho Code, to the contrary,~~
39 ~~on and after the effective date of this act,~~ the director shall not expend any funds,
40 or take any action, or authorize any employee or agent of the department or other
41 person to take any action, to undertake actual transplants of bighorn sheep into
42 areas they do not now inhabit or to augment the number of bighorn sheep in
43 existing herds until:

44 (i) The boards of county commissioners of the counties in which the
45 release is proposed to take place have been given reasonable notice of the
46 proposed release.

1 (ii) The affected federal and state land grazing permittees and owners or
2 leaseholders of private land in or contiguous to the proposed release site
3 have been given reasonable notice of the proposed release.

4 (iii) The president pro tempore of the senate and the speaker of the
5 house of representatives have received from the director a plan for the
6 forthcoming year that details, to the best of the department's ability, the
7 proposed transplants which shall include the estimated numbers of bighorn
8 sheep to be transplanted and a description of the areas the proposed
9 transplant or transplants are planned for.

10 Upon request, the department shall grant one (1) hearing per transplant or
11 relocation if any affected individual or entity expresses written concern within
12 ten (10) days of notification regarding any transplants or relocations of bighorn
13 sheep and shall take into consideration these concerns in approving, modifying or
14 canceling any proposed bighorn sheep transplant or relocation. Any such hearing
15 shall be held within thirty (30) days of the request. Upon It is the policy of the
16 state of Idaho that existing sheep or livestock operations in the area of any bighorn
17 sheep transplant or relocation are recognized and that the potential risk, if any, of
18 disease transmission and loss of bighorn sheep when the same invade domestic
19 livestock or sheep operations is accepted. Prior to any transplant or relocation
20 of bighorn sheep into areas they do not now inhabit or a transplant or relocation
21 to augment existing populations, the department shall provide for any affected federal
22 or state land grazing permittees or owners or leaseholders of private land a written
23 letter agreement signed by all federal, state and private entities responsible for the
24 transplant or relocation stating that the existing sheep or livestock operations in the
25 area of any such bighorn sheep transplant or relocation are recognized and that the
26 potential risk, if any, of disease transmission and loss of bighorn sheep when the
27 same invade domestic livestock or sheep operations is accepted.

28 (E) Should any bighorn sheep graze, stray or drift upon, or in close proximity to,
29 any private, state or federal lands that have any domestic sheep use, or have any
30 domestic sheep allotments administered by the bureau of land management, the
31 U.S. forest service or the Idaho department of lands, the director shall relocate
32 or control the bighorn sheep to ensure that appropriate separation between the
33 bighorn sheep and the domestic sheep is maintained, unless the director certifies
34 that the risk of disease transmission, if any, between the bighorn sheep and the
35 domestic sheep is acceptable. This certification may be based upon:

36 (i) An agreement regarding a separation strategy between the bighorn
37 sheep and the domestic sheep entered into by the owners of the domestic
38 sheep and the director or his designee; or

39 (ii) A finding by the director that the bighorn sheep have already been
40 exposed to certain pathogens that makes separation between the bighorn
41 sheep and the domestic sheep unwarranted.

- 42 6. (A) The director shall have the power, at any time when it is desired to introduce any
43 new species, or if at any time any species of wildlife of the state of Idaho shall
44 be threatened with excessive shooting, trapping, or angling or otherwise, to close
45 any open season or to reduce the bag limit or possession limit for such species
46 for such time as he may designate; in the event an emergency is declared to exist

1 such closure shall become effective forthwith upon written order of the director; in
2 all other cases upon publication and posting as provided in section 36-105, Idaho
3 Code.

4 (B) In order to protect property from damage by wildlife, the fish and game
5 commission may delegate to the director or his designee the authority to declare an
6 open season upon that particular species of wildlife to reduce its population. The
7 director or his designee shall make an order embodying his findings in respect to
8 when, under what circumstances, in which localities, by what means, and in what
9 amounts, numbers and sex the wildlife subject to the hunt may be taken. In the
10 event an emergency is declared to exist such open season shall become effective
11 forthwith upon written order of the director or his designee; in all other cases upon
12 publication and posting as provided in section 36-105, Idaho Code.

13 (C) Any season closure order issued under authority hereof shall be published in
14 at least one (1) newspaper of general circulation in the area affected by the order
15 for at least once a week for two (2) consecutive weeks, and such order shall be
16 posted in public places in each county as the director may direct.

17 (D) During the closure of any open season or the opening of any special
18 depredation season by the director all provisions of laws relating to the closed
19 season or the special depredation season on such wildlife shall be in force and
20 whoever violates any of the provisions shall be subject to the penalties prescribed
21 therefor.

22 (E) Prior to the opening of any special depredation hunt, the director or his
23 designee shall be authorized to provide up to a maximum of fifty percent (50%)
24 of the available permits for such big game to the landholder(s) of privately
25 owned land within the hunt area or his designees. If the landholder(s) chooses
26 to designate hunters, he must provide a written list of the names of designated
27 individuals to the department. If the landholder(s) fails to designate licensed
28 hunters, then the department will issue the total available permits in the manner
29 set by rule. All hunters must have a current hunting license and shall have equal
30 access to both public and private lands within the hunt boundaries. It shall be
31 unlawful for any landholder(s) to receive any form of compensation from a person
32 who obtains or uses a depredation controlled hunt permit.

33 7. The director shall make an annual report to the governor, the legislature, and the
34 secretary of state, of the doings and conditions of his office, which report shall be made in
35 accordance with section 67-2509, Idaho Code.

36 8. The director may sell or cause to be sold publications and materials in accordance
37 with section 59-1012, Idaho Code.

38 9. Any deer, elk, antelope, moose, bighorn sheep or bison imported or transported by
39 the department of fish and game shall be tested for the presence of certain communicable
40 diseases that can be transmitted to domestic livestock. Those communicable diseases to
41 be tested for shall be arrived at by mutual agreement between the department of fish and
42 game and the department of agriculture. Any moneys expended by the department of fish
43 and game on wildlife disease research shall be mutually agreed upon by the department of
44 fish and game and the department of agriculture.

45 In addition, a comprehensive animal health program for all deer, elk, antelope, moose,
46 bighorn sheep, or bison imported into, transported, or resident within the state of Idaho

1 shall be implemented after said program is mutually agreed upon by the department of
2 fish and game and the department of agriculture.

3 ~~In order to enhance and protect the health of wildlife within the state, as well as~~
4 ~~safeguard the health of livestock resources, the director of the department of agriculture~~
5 ~~shall employ at least one (1) veterinarian licensed in Idaho whose duties shall include, but~~
6 ~~not be limited to, addressing wildlife disease issues and coordinating disease prevention~~
7 ~~work between the department of fish and game and the department of agriculture. The~~
8 ~~employing of said veterinarian shall be by mutual agreement of the director of the~~
9 ~~department of fish and game and of the director of the department of agriculture. The~~
10 ~~veterinarian shall be on the staff of the division of animal industries, department of~~
11 ~~agriculture. The salary or compensation to be paid said veterinarian or veterinarians~~
12 ~~shall be divided equally between the department of fish and game and the department of~~
13 ~~agriculture, and the department of fish and game's portion shall be deposited directly into~~
14 ~~the livestock disease control account. The veterinarian shall be employed on and after~~
15 ~~July 1, 1989.~~

16 10. In order to monitor and evaluate the disease status of wildlife and to protect
17 Idaho's livestock resources, any suspicion by fish and game personnel of a potential
18 communicable disease process in wildlife shall be reported within twenty-four (24) hours
19 to the department of agriculture. All samples collected for disease monitoring or disease
20 evaluation of wildlife shall be submitted to the division of animal industries, department
21 of agriculture.

22 11. (A) The director is authorized to enter into an agreement with an independent
23 contractor for the purpose of providing a telephone order and credit card payment
24 service for controlled hunt permits, licenses, tags, and permits.

25 (B) The contractor may collect a fee for its service in an amount to be set by
26 contract.

27 (C) All moneys collected for the telephone orders of such licenses, tags, and
28 permits shall be and remain the property of the state, and such moneys shall be
29 directly deposited by the contractor into the state treasurer's account in accordance
30 with the provisions of section 59-1014, Idaho Code. The contractor shall furnish
31 a good and sufficient surety bond to the state of Idaho in an amount sufficient to
32 cover the amount of the telephone orders and potential refunds.

33 (D) The refund of moneys for unsuccessful controlled hunt permit applications
34 and licenses, tags, and permits approved by the department may be made by the
35 contractor crediting the applicant's or licensee's credit card account.

36 12. The director may define activities or facilities that primarily provide a benefit: to the
37 department; to a person; for personal use; to a commercial enterprise; or for a commercial
38 purpose.

39 SECTION 2. That Section 36-408, Idaho Code, be, and the same is hereby amended to
40 read as follows:

41 36-408. COMMISSION'S AUTHORITY – TAGS – PERMITS – NONRESIDENTS
42 LIMITED – OUTFITTERS SET-ASIDE. (1) Tags and Permits – Method of Use. The
43 commission is hereby authorized to prescribe the number and kind of wildlife that may be
44 taken under authority of the several types of tags and permits provided for in this title, and the
45 manner in which said tags and permits shall be used and validated.

1 (2) Limit – Licenses, Tags or Permits – Controlled Hunts. The commission is hereby
2 authorized to establish a limit annually as to the number of each kind and class of licenses,
3 tags, or permits to be sold or issued and is further authorized to limit the number or prohibit
4 entirely, the participation by nonresidents in controlled hunts.

5 (3) Outfitters Set-aside. When the commission establishes a limit as to the number
6 of nonresident deer tags and nonresident elk tags, it shall set aside annually a maximum of
7 twenty-five percent (25%) of the nonresident deer tag and nonresident elk tag limit. The
8 set-aside tags shall be sold pursuant to commission rule, only to persons that have entered
9 into an agreement for that year to utilize the services of an outfitter licensed pursuant to chapter
10 21, title 36, Idaho Code.

11 In order for a person to purchase any set-aside nonresident deer tag or nonresident elk
12 tag, that person's outfitter must submit an application with the proper fees as required by
13 the director. If any nonresident deer tags or nonresident elk tags set aside pursuant to this
14 subsection are unsold by July 1 of the year in which they were set aside, they may be sold by
15 the department to the general public who are nonresidents. The commission may promulgate
16 all necessary rules to implement the provisions of this subsection.

17 (4) Deer and Elk Tag Allocation. If the commission limits the number of deer or elk tags
18 available for use in any game management area, unit or zone, the commission may allocate by
19 rule a number of deer or elk tags for use by hunters that have entered into an agreement for that
20 year to utilize the services of an outfitter licensed pursuant to chapter 21, title 36, Idaho Code.

21 (5) Special Game Tags. The commission is hereby authorized to issue two (2) special
22 bighorn sheep tags per year.

23 (a) Auction bighorn sheep tag. One (1) special bighorn sheep tag shall be auctioned
24 off by an incorporated nonprofit organization dedicated to wildlife conservation, selected
25 by the commission. The tag shall be issued by the department of fish and game to the
26 highest eligible bidder. No more than five percent (5%) of all proceeds for the tag may
27 be retained by the organization. The tag to be issued pursuant to this subsection shall be
28 taken from the nonresident bighorn sheep tag quota. The net proceeds shall be forwarded
29 to the director for deposit in the fish and game expendable trust account and shall be
30 used for bighorn sheep research and management purposes. Moneys raised pursuant to
31 this subsection may not be used to transplant additional bighorn sheep into that portion
32 of southwest Idaho south of the Snake River and west of U.S. highway no. 93, nor for
33 litigation or environmental impact statements involving bighorn sheep. No transplants of
34 bighorn sheep accomplished with moneys raised pursuant to this subsection shall occur in
35 any area until hearings are conducted in the area.

36 (b) Lottery bighorn sheep tag. The commission is also authorized to issue one (1)
37 special bighorn sheep tag which will be disposed of by lottery. The lottery permit can
38 be marketed by the department of fish and game or a nonprofit organization dedicated
39 to wildlife conservation selected by the commission. The tag will be issued by the
40 department of fish and game to an eligible person drawn from the lottery provided in this
41 subsection. No more than twenty-five percent (25%) of gross revenue can be retained
42 for administrative costs by the organization. All net proceeds for the tag disposed of by
43 lottery pursuant to this subsection shall be remitted to the department and deposited in the
44 fish and game expendable trust account. Moneys in the account from the lottery bighorn
45 sheep tag shall be utilized by the department in solving problems between bighorn
46 sheep and domestic sheep, solving problems between wildlife and domestic animals or

1 improving relationships between sportsmen and private landowners ~~by being utilized in~~
2 ~~the veterinarian program established in subsection (e)9. of section 36-106, Idaho Code.~~

3 (6) Issuance of free permit or tag to minor children with life-threatening medical
4 conditions. Notwithstanding any other provision of law, the commission may issue free big
5 game permits or tags to minor children who have life-threatening medical conditions that
6 have been certified eligible by a qualified organization. The commission may prescribe by
7 rule the manner and conditions of issuing and using the permits or tags authorized under
8 this subsection (6). For purposes of this subsection (6) a "qualified organization" means a
9 nonprofit organization that is qualified under section 501(c)(3) of the Internal Revenue Code
10 and that affords opportunities and experiences to minor children with life-threatening medical
11 conditions.

12 (7) Special Wolf Tags. The commission is hereby authorized to issue up to ten (10)
13 special auction or lottery tags for hunting wolves. Special wolf tags will be auctioned off
14 or made available through lottery by incorporated nonprofit organizations dedicated to wildlife
15 conservation and selected by the director. No more than five percent (5%) of all proceeds for
16 each tag may be retained by the nonprofit organization for administrative costs involved. Each
17 wolf tag shall be issued by the department of fish and game and awarded to the highest eligible
18 bidder or winner of a lottery. Each tag will be good for the harvest of one (1) wolf pursuant to
19 commission rule. The proceeds from each tag will be sent to the director to be placed in the
20 department general license fund.

21 SECTION 3. An emergency existing therefor, which emergency is hereby declared to
22 exist, this act shall be in full force and effect on and after its passage and approval.
