10 to provide a standardized system for tracking and reporting meaningful data about faculty,  
11 nonfaculty exempt, and classified staff turnover at the state's institutions of higher education.  
12 These statistics shall be available to the Division of Financial Management and the Legislative  
13 Services Office no later than November 1 of each year.

14 SECTION 4. CARRYOVER AUTHORITY. There is hereby reappropriated to the State  
15 Board of Education and the Board of Regents of the University of Idaho for Boise State Uni-  
16 versity, Idaho State University, the University of Idaho, Lewis-Clark State College, and the  
17 Office of the State Board of Education, any non-General Fund unexpended and unencumbered  
18 balances of any appropriation contained in Section 1, Chapter 263, Laws of 2008, to be used  
19 for nonrecurring expenditures for the period July 1, 2009, through June 30, 2010.

20 SECTION 5. TRANSFER OF FUNDS. There is hereby appropriated and the State Con-  
21 troller shall transfer, on July 1, 2009, or as soon thereafter as practicable, the amount of  
22 \$10,000,000 from the Permanent Building Fund to the General Fund for the period July 1,  
23 2009, through June 30, 2011. Use of these funds shall be limited to the purchase of real prop-  
24 erty, planning, design, construction, equipping and start-up of operations for the Idaho Center  
25 for Livestock and Environmental Studies.

26 SECTION 6. LEGISLATIVE INTENT. It is the intent of the Legislature to retain to the  
27 extent possible, our capable, quality employees who support the essential services and statuto-  
28 rily authorized programs that the citizens of Idaho expect. The Legislature finds these critical  
29 essential services to be those that maintain the health and safety of our citizens and the ed-  
30 ucation of our children. While extending flexibility to the Governor and agency directors to  
31 manage the state workforce to the best of their ability during these difficult times, it remains the  
32 responsibility of the Legislature to identify priorities for the state workforce. The Legislature  
33 finds that reductions in personnel funding shall first be managed through salary reductions that  
34 impact all personnel fairly; secondly, be mitigated by the use of existing salary savings; thirdly,  
35 by using savings created by keeping newly vacated positions unfilled; fourth, by the use of fur-  
36 loughs; and lastly, as a last resort, by reducing the workforce. It is the intent of the Legislature  
37 that these policies shall be adhered to by the executive, legislative, and judicial branches to the  
38 extent allowed by law.

39 SECTION 7. SALARY REDUCTION. Inasmuch as salary reductions will save jobs; and  
40 inasmuch as a five percent (5%) reduction in personnel funding may create a reduction in force;  
41 and inasmuch as the state, as a single employer of multiple departments, agencies and insti-  
42 tutions, is required by law to direct across the board salary adjustments; the State Board of

1 Education and the Board of Regents of the University of Idaho is hereby requested to reduce all  
2 salaries of classified and nonclassified employees at the College and Universities, regardless of  
3 fund source, by three percent (3%) for fiscal year 2010, beginning on June 14, 2009, through  
4 June 12, 2010. Institutions are also requested to use personnel cost savings, furloughs, and a  
5 reduction in force to manage the remaining two percent (2%) in funding reductions. The Di-  
6 vision of Human Resources shall adjust all pay schedules for the classified personnel system  
7 downward to the extent that all beginning minimum salaries are three percent (3%) less than  
8 those in effect upon the date of passage of this law.

9 SECTION 8. An emergency existing therefor, which emergency is hereby declared to  
10 exist, Section 7 of this act shall be in full force and effect on and after passage and approval.
