32 SECTION 2. In accordance with Section 67-3519, Idaho Code, the Department of Ad-
33 ministration is authorized no more than one hundred fifty-five and one-tenth (155.1) full-time
34 equivalent positions at any point during the period July 1, 2009, through June 30, 2010, for the
35 programs specified in Section 1 of this act, unless specifically authorized by the Governor. The
36 Joint Finance-Appropriations Committee will be notified promptly of any increased positions so
37 authorized.

38 SECTION 3. LEGISLATIVE INTENT. It is the intent of the Legislature to retain to the
39 extent possible, our capable, quality employees who support the essential services and statuto-
40 rily authorized programs that the citizens of Idaho expect. The Legislature finds these critical
41 essential services to be those that maintain the health and safety of our citizens and the ed-

1 ucation of our children. While extending flexibility to the Governor and agency directors to
2 manage the state workforce to the best of their ability during these difficult times, it remains the
3 responsibility of the Legislature to identify priorities for the state workforce. The Legislature
4 finds that reductions in personnel funding shall first be managed through salary reductions that
5 impact all personnel fairly; secondly, be mitigated by the use of existing salary savings; thirdly,
6 by using savings created by keeping newly vacated positions unfilled; fourth, by the use of fur-
7 loughs; and lastly, as a last resort, by reducing the workforce. It is the intent of the Legislature
8 that these policies shall be adhered to by the executive, legislative, and judicial branches to the
9 extent allowed by law.

10 SECTION 4. SALARY REDUCTION. Inasmuch as salary reductions will save jobs; and
11 inasmuch as a five percent (5%) reduction in personnel funding may create a reduction in force;
12 and inasmuch as the state as a single employer of multiple departments and agencies is required
13 by law to direct across the board salary adjustments; agencies and institutions shall reduce all
14 salaries of classified and nonclassified employees, regardless of fund source, by three percent
15 (3%) for fiscal year 2010, beginning on June 14, 2009, through June 12, 2010. Agencies shall
16 use personnel cost savings, furloughs, and a reduction in force to manage the remaining two
17 percent (2%) in funding reductions. The Division of Human Resources shall adjust all pay
18 schedules for the classified personnel system downward to the extent that all beginning mini-
19 mum salaries are three percent (3%) less than those in effect upon the date of passage of this
20 law.

21 SECTION 5. An emergency existing therefor, which emergency is hereby declared to
22 exist, Section 4 of this act shall be in full force and effect on and after passage and approval.
