

STATEMENT OF PURPOSE

RS19323

This legislation allows the Secretary of State to provide for on-line filing of lobbyist reports and campaign finance reports under the Sunshine Law over the internet or by other electronic means that may become available in the future.

FISCAL NOTE

On-line filing applications will be developed, or obtained from another state and modified to work for Idaho, by the IT staff currently employed in the office of the Secretary of State. No additional general fund money is anticipated being used.
