6 Be It Enacted by the Legislature of the State of Idaho:

7 SECTION 1. That Section 39-4113, Idaho Code, be, and the same is hereby
8 amended to read as follows:

9 39-4113. PLAN REVIEWS -- MAXIMUM FEES AND SCHOOL INSPECTIONS. (1) The
10 administrator shall establish a program for plan reviews and permit issuance
11 entirely within the division of building safety. Plan reviews shall be for
12 the provisions of this chapter and chapter 10, title 54, Idaho Code, chapter
13 26, title 54, Idaho Code, chapter 50, title 54, Idaho Code, and chapter 86,
14 title 39, Idaho Code, pertaining to construction, alteration or repair of
15 buildings or structures within the scope of the division's jurisdiction
16 pursuant to this chapter. Plans for schools reviewed by the division shall
17 not include a review for compliance with the provisions of chapter 2, title
18 41, Idaho Code, or for local planning and zoning requirements.

19 (2) Plan review fees shall be established by rules promulgated by the
20 board. Local governments elected by school districts to perform building
21 plan reviews for public schools as provided for in this section shall not
22 charge a fee for such review of building plans in excess of what the division
23 has established by rule for building plan review services for public
24 schools.

25 (3) Each manufacturer of commercial coaches and modular buildings
26 shall submit the building plans for every model of such structure to the
27 administrator for the purpose of review.

28 (4) (a) Public school building plans shall be approved by either
29 the local government or the division of building safety, whichever
30 the school district elects. Any city or county that has adopted by
31 ordinance all the applicable codes pursuant to section 39-4109, Idaho
32 Code, and the codes as permitted in chapter 10, title 54, Idaho Code,
33 chapter 26, title 54, Idaho Code, and chapter 50, title 54, Idaho
34 Code, shall be eligible to perform school plan reviews only if the
35 following additional requirements are met: plans examiners performing
36 building and energy code plan reviews shall hold current certification
37 as a commercial building plans examiner by the International Code
38 Council; examiners performing plumbing code plan reviews shall hold
39 current certification as a plumbing inspector by the international
40 association of plumbing and mechanical officials and shall be a
41 licensed Idaho journeyman plumber; examiners performing electrical
42 code plan reviews shall hold current certification as an electrical

1 inspector by the national certification program for construction
2 code inspectors and shall be a licensed Idaho journeyman electrician;
3 and examiners performing mechanical code plan reviews shall hold
4 current certification as a commercial mechanical inspector by the
5 International Code Council.

6 (b) ~~All plans examiners who perform plan reviews shall be full time~~
7 ~~employees of the division or the eligible local government in whose~~
8 ~~jurisdiction the public school facility is to be constructed~~ public
9 school plan reviews shall be either an employee of the division,
10 an employee of the local jurisdiction in which the school is to
11 be constructed, or performing plan reviews under an interagency
12 contract between local jurisdictions, and shall meet the eligibility
13 requirements as provided in subsection (4) (a) of this section.

14 (c) An eligible local government may contract with the division for
15 review of any portion of the plans for which the local government
16 does not have a properly certified plans examiner. A county may
17 be deemed eligible to perform plan review services only for those
18 types of installations for which they have authority pursuant to this
19 chapter and chapter 50, title 54, Idaho Code, to adopt an enforcement
20 program. Where an eligible county performs the plan review services,
21 the electrical and plumbing code plan reviews shall be performed by the
22 division at the hourly rate as established in rule by the division. Any
23 local government elected to perform plan review services for public
24 schools shall provide the division a copy of all approved plans.

25 (d) Wherein the proposed work is valued in excess of one hundred
26 thousand dollars (\$100,000), a school district may elect to utilize the
27 school plan review services available from an eligible local government
28 building code enforcement jurisdiction or from the division. Wherein
29 the proposed work is valued at one hundred thousand dollars (\$100,000)
30 or less, a school district may elect to use a local government without
31 regard to the eligibility requirements in subsection (4) (a) of this
32 section. Election by a school district shall be made by submitting
33 a written certification to both the division and the involved local
34 government.

35 (e) Public school plan review services provided by either the division
36 or an eligible local jurisdiction pursuant to this section shall
37 include a review of the following disciplines: building (structural
38 and nonstructural), mechanical, fuel gas, plumbing, electrical,
39 accessibility, elevators, boilers, and energy conservation. At a
40 minimum, plan review services shall include:

41 (i) A technical examination of all drawings and construction
42 documents; and

43 (ii) The approval of such drawings and construction documents
44 by determining whether such are in accord with the codes adopted
45 pursuant to sections 39-4109, 54-1001, 54-2601 and 54-5001, Idaho
46 Code, as well as in compliance with applicable provisions of
47 section 72-722, Idaho Code; and

48 (iii) A determination that the drawings and construction
49 documents are in compliance, or noncompliance, with the
50 applicable codes, code interpretation, and the identification

1 of approved modifications or alternative materials, design or
 2 methods; and

3 (iv) The identification of the reviewing official(s), the date
 4 upon which plans are approved, as well as a stamp or some other
 5 similar mark on the plans evidencing approval.

6 (f) If a school district elects to utilize the plan review services
 7 of the division, it shall submit to the division of building safety
 8 three (3) sets of working drawings and specifications for new public
 9 school buildings or facilities and additions or alterations to existing
 10 facilities. The division will review the plans submitted to it pursuant
 11 to this section for compliance with the current editions of the codes
 12 specified in this chapter or within rules promulgated pursuant to this
 13 chapter by the board and by section 39-8006, Idaho Code.

14 (5) Public school building plans must be approved by either the local
 15 government or the division before the school district may advertise for
 16 bids. Once plans are reviewed and approved pursuant to this section, no
 17 material change can be made to such plans without review and approval of
 18 such change by the jurisdiction performing the plan review. All school
 19 construction or remodeling governed by this chapter shall be inspected by
 20 building inspectors certified in accordance with section 39-4108, Idaho
 21 Code, or by Idaho licensed architects or engineers to determine compliance
 22 with this chapter and the Idaho uniform school building safety act, chapter
 23 80, title 39, Idaho Code. Nothing in this section shall limit the authority
 24 of local governments to issue building permits, perform fire code or
 25 other zoning and land use related plan reviews or provide a full range of
 26 building code enforcement activities as they relate to inspections of school
 27 buildings or facilities sited within their jurisdiction regardless of the
 28 election exercised by the school district pursuant to this section.

29 SECTION 2. That Section 39-8007, Idaho Code, be, and the same is hereby
 30 amended to read as follows:

31 39-8007. POWERS AND DUTIES OF THE ADMINISTRATOR. (1) The
 32 administrator shall enforce the provisions of this chapter in cooperation
 33 with the superintendent of public instruction, the department of
 34 administration, and the building code advisory board.

35 (2) The administrator shall promulgate rules necessary to carry out the
 36 provisions of this chapter. Such rules shall be promulgated pursuant to the
 37 provisions of chapter 52, title 67, Idaho Code.

38 (3) The administrator shall establish a program for the timely review
 39 of public school construction plans as required by section 39-4113(4) (ef),
 40 Idaho Code.

41 (4) Upon request, the administrator shall provide training to school
 42 districts on the Idaho uniform school building safety code.
