

STATEMENT OF PURPOSE

RS19677C2

This bill amends Idaho Code by adding a new section, 18-1501A, to provide that an adult who knowingly causes a child to be exposed to methamphetamine, cocaine, or heroin is guilty of a felony. An adult found to be in possession of drug paraphernalia in the presence of a child is guilty of a misdemeanor.

FISCAL NOTE

The impact to the State General Fund would be minimal. There is potential savings to children's services in the Health and Welfare Budget and the Education Budget.
