

STATEMENT OF PURPOSE

RS19717

The purpose of this legislation is to amend Idaho Code 59-1302 to exempt any person not under contract with a school district or charter school, who on a day-to-day basis works as a substitute teacher replacing a contracted school teacher and is paid a substitute wage as established by district policy from the definition of 'employee' under the Public Employees Retirement System section of Idaho Code. It would also exempt any person who, on a day-to-day basis works as a substitute assistant replacing a staff instruction assistant or a staff library assistant and is paid a substitute wage as established by district policy from the definition of 'employee' under the Public Employees Retirement System section of Idaho Code.

FISCAL NOTE

There is no fiscal impact on the general fund and it would be a cost savings to school districts.
