

STATEMENT OF PURPOSE

RS19795

This legislation is a trailer bill to H432 which bill was adopted by both the House and Senate earlier this session and has been signed by the Governor. The purpose of the trailer bill is to modify the definition of "carrier" to address a technical issue identified by the Department of Insurance and also an issue affecting foreign insurers. The further purpose of the trailer bill is to provide clear authority to the Department to impose and collect the mandatory assessments for the vaccines purchased by the State and administered to children residing in Idaho and covered by health insurance and health benefit plans.
