

IN THE HOUSE OF REPRESENTATIVES  
HOUSE CONCURRENT RESOLUTION NO. 64

BY STATE AFFAIRS COMMITTEE

A CONCURRENT RESOLUTION

STATING FINDINGS AND URGING CONGRESS TO INITIATE THE ARTICLE V AMENDMENT  
PROCESS TO AMEND THE TENTH AMENDMENT AND INTERSTATE COMMERCE CLAUSE OF  
THE UNITED STATES CONSTITUTION.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, the Tenth Amendment to the Constitution of the United States reads as follows: "The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people."; and

WHEREAS, the Tenth Amendment to the Constitution defines the total scope of federal power as being that specifically granted by the Constitution of the United States and no more; and

WHEREAS, the scope of the power defined by the Tenth Amendment means that the federal government was created by the states specifically to be an agent of the states; and

WHEREAS, today, in 2010, the states are demonstrably treated as agents of the federal government; and

WHEREAS, many powers assumed by the federal government and federal mandates are directly in violation of the Tenth Amendment to the Constitution of the United States; and

WHEREAS, the Interstate Commerce Clause to the Constitution of the United States provides that Congress shall have the power: "To regulate Commerce with foreign Nations, and among the several States, and with the Indian Tribes"; and

WHEREAS, the Interstate Commerce Clause is limited to the federal government regulating trade between the states, and between the states and other nations, and to help prevent conflicts between states over commercial activities, and to prevent the erection of barriers to commerce between the states; and

WHEREAS, the Interstate Commerce Clause should not be used to provide Congress with authority to regulate matters that are primarily intrastate with only an insignificant or collateral effect upon interstate commerce; and

WHEREAS, many federal laws are beyond the original scope and intent of the Interstate Commerce Clause and the Tenth Amendment to the Constitution of the United States; and

WHEREAS, the Tenth Amendment assures that we, the people of the United States of America and each sovereign state in the union of states, now have, and have always had, rights the federal government may not usurp; and

WHEREAS, Section 4, Article IV, of the Constitution says, "The United States shall guarantee to every State in this Union a Republican Form of Government" and the Ninth Amendment states that "The enumeration in the Consti-

1     tution, of certain rights, shall not be construed to deny or disparage others  
2     retained by the people."; and

3             WHEREAS, the United States Supreme Court has ruled in *New York v. United*  
4     *States*, 112 S. Ct. 2408 (1992), that Congress may not simply commandeer the  
5     legislative and regulatory processes of the states.
