

## **STATEMENT OF PURPOSE**

### **RS19317C1**

The purpose of this legislation is to amend previous legislation, Idaho Code, Section 677038, in order to confirm that it is not a violation to operate a motorboat which has been purchased from a manufacturer with a stock equipment that may exceed the noise levels described in this law.

### **FISCAL NOTE**

There is no fiscal impact in this legislation to the general fund.
