### **RS19616C1**

This memorial is to the Senate and House of Representatives of the United States in Congress Assembled, and to the Congressional delegation representing the state of Idaho in the Congress of the United States. The Idaho Senate and House of Representatives concur that Congress is urged to oppose federal legislation that interferes with a state's ability to direct the transport and processing of horses and is encouraged to discontinue language in the yearly appropriation bills which has effectively ended processing of horses in the United States.
