1. IDAPA 08.01.04 - Rules Pertaining To The Residency Classification (Docket No. 08-0104-1101)
The State Board of Education submits notice of proposed rulemaking at IDAPA 08.01.04 -- Rules Pertaining to the Residency Classification. The proposed rule deletes the delegation of determining residency to certain special graduate and professional programs. The proposed rule allows the Board of Education to determine which institution should make the certification. The agency notes that this change will eliminate a duplication of effort when an applicant applies to more than one special graduate or professional program.

The agency states that negotiated rulemaking was not conducted because the proposed rule is administrative in nature and noncontroversial.

The proposed rule appears to be authorized pursuant to sections 33-105 and 33-107, Idaho Code.

2. IDAPA 08.01.09 - Rules Governing the Gear Up Idaho Scholarship Program (New Chapter) (Docket No. 08-0109-1101)
The State Board of Education submits notice of temporary and proposed rulemaking at IDAPA 08.01.09 -- Rules Governing the Gear Up Idaho Scholarship Program. The temporary and proposed rule governs the GEAR UP Scholarship Program (Gaining Early Awareness and Readiness for Undergraduate Programs). The Board notes that the temporary and proposed rule is modeled after the processes governing

the Idaho Opportunity Scholarship program. This fall will see the first students eligible to apply for GEAR UP scholarships.

The temporary and proposed rule includes, among other matters, provisions governing: definitions (Section 010); objectives of the program (Section 100); program eligibility (Section 101); scholarship application and selection processes (Sections 200 and 300); scholarship awards (Section 400); responsibilities of eligible postsecondary educational institutions (Section 700); and applicant appeals (Section 800).

The Board states that negotiated rulemaking was not conducted because the rules are not controversial.

The effective date of the temporary rule was June 24, 2011. The temporary and proposed rule appears to be authorized pursuant to sections 33-105 and 33-107, Idaho Code.

3. IDAPA 08.01.11 - Registration of Post-Secondary Educational Institutions and Proprietary Schools (Docket No. 08-0111-1102) The State Board of Education submits notice of proposed rulemaking at IDAPA 08.01.11 -- Registration of Post-Secondary Educational Institutions and Proprietary Schools. The proposed rule revises a number of provisions relating to the registration of certain educational institutions. The new rule revises provisions relating to post-secondary institutions, including new provisions relating to registration requirements (Section 200.02.d and 200.02.e.); new rules clarifying the term "Idaho Presence" (Section 200.03.b and 200.03.c); revises and deletes language relating to exemptions from registration requirements, provides new language specifically exempting certain institutions and revises language governing those institutions that must register (Section 200.04 and 200.05). The proposed rule deletes all of Section 201 which provided approval standards for unaccredited post-secondary educational institutions. The proposed rule clarifies that all post-secondary institutions must be accredited by an accreditation organization recognized by both the U.S. Department of Education and by the council for Higher Education Accreditation.

The proposed rule also includes new provisions relating to the registration of proprietary schools and provides new language governing their presence in the state (Section 300.03). Other revisions include changes to Approval Standards for Registration of Proprietary Schools (Section 300) which include revision to language governing courses or courses of study; student support services; faculty/instructor qualifications and compensation; and resources, finance, facilities and instructional resources.

Finally, new sections to the rule govern "Enforcement" which provide that the state Board may initiate its own investigation relating to violations of law or rule (Section 400). The new sections also govern Complaints (Section 500) which provide process and protocol relating to violations of state consumer protection laws; violations of law or rule related to registration of postsecondary institutions and proprietary schools and complaints related to quality of education and other matters.

The agency states that negotiated rulemaking was not conducted because the Office of the State Board of Education solicited input on an informal basis from entities affected by the proposed rule.

The proposed rule appears to be authorized pursuant to sections 33-105 and 33-107, Idaho Code and sections 33-2402 and 33-2403, Idaho Code.

4. IDAPA 08.01.14 - Rules Pertaining To The Idaho Rural Physician Incentive Program (Docket No. 08-0114-1101) The State Board of Education submits notice of temporary and proposed rulemaking at IDAPA 08.01.14 -- Rules Pertaining to the Idaho Rural Physician Incentive Program. The temporary and proposed rule includes two changes of note: first, in terms of physician eligibility, the temporary and proposed rule provides that the physician must be board certified and be eligible for an unrestricted Idaho medical license (the prior version of the rule required that the physician hold such an unrestricted license); and second, the rule revises provisions governing who receives the medical education debt repayments. The temporary and proposed rule

provides that such debt repayments be paid directly to the award-recipient physician. The award-recipient is required to sign an affidavit affirming that he will then pay an equal amount to the financial institution holding the debt.

The agency states that negotiated rulemaking was not conducted because the proposed changes were noncontroversial.

The effective date of the temporary rule was June 24, 2011. The temporary and proposed rule appears to be authorized pursuant to sections 33-105, Idaho Code.

5. IDAPA 08.02.03 - Rules Governing Thoroughness (Docket No. 08-0203-1102) The State Board of Education submits notice of proposed rulemaking at IDAPA 08.02.03 -- Rules Governing Thoroughness. The proposed rule provides a number of provisions relating to online courses. The proposed rule provides definitions of "asynchronous course"; "blended course" (Section 007.08 and 007.11) and "online course"; "online learning"; "online teacher"; and "synchronous course" (Sections 008.08; 008.09; 008.10; and 008.27). Finally, the rule provides a new subsection governing online learning requirements as part of high school graduation requirements (Section 105.01.i). These new requirements are effective for all students who enter the 9th grade in the fall of 2012 or later. The rule requires 2 credits of online learning--one from an asynchronous online course and one may be an online course or blended course, either asynchronous or synchronous. The rule also provides for locally-established alternate plans.

The agency states that negotiated rulemaking was conducted. The Board also notes that seven public hearing were held and that an eleven member subcommittee made up of stakeholder representatives reviewed comments and made final language recommendations to the Board.

The proposed rule appears to be authorized pursuant to sections 33-1612, Idaho Code.

DOCKET NO. 08-0111-1102

NOTICE OF RULEMAKING - PROPOSED RULE

AUTHORITY: In compliance with Section 67-5221(1), Idaho Code, notice is hereby given that this agency has initiated proposed rulemaking procedures. The action is authorized pursuant to Section(s) 33-105, 33-107, 33-2402, and 33-2403, Idaho Code.

PUBLIC HEARING SCHEDULE: Public hearing(s) concerning this rulemaking will be scheduled if requested in writing by twenty-five (25) persons, a political subdivision, or an agency, not later than October 19, 2011.

The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

DESCRIPTIVE SUMMARY: The following is a nontechnical explanation of the substance and purpose of the proposed rulemaking:

The proposed changes to IDAPA 08.01.11 incorporate the language previously approved by the Board as a temporary rule referencing the new enforcement section in section 33-2400, Idaho Code, and student complaint processes required by the Federal Government. Additional language has been added to clarify the registration requirement for start-up entities, more clearly define "Idaho presence," to define "Executive Director," and to clarify approval standards for proprietary schools. It also eliminates language that allowed for an approval process for postsecondary institutions that were not accredited and clarifies that all postsecondary institutions must be accredited by a national accreditation organization that is recognized by and in good standing with both the United States Department of Education and by the Council for Higher Education Accreditation.

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased: None.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year resulting from this rulemaking: NA

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(2), Idaho Code, negotiated rulemaking was not conducted because the Office of the State Board of Education solicited input from entities affected by the rule on an informal basis.

INCORPORATION BY REFERENCE: Pursuant to Section 67-5229(2)(a), Idaho Code, the following is a brief synopsis of why the materials cited are being incorporated by reference into this rule: NA

08.01.14 - IDAHO RURAL PHYSICIAN INCENTIVE PROGRAM

DOCKET NO. 08-0114-1101

NOTICE OF RULEMAKING - TEMPORARY AND PROPOSED RULE

EFFECTIVE DATE: The effective date of the temporary rule is June 24, 2011.

AUTHORITY: In compliance with Sections 67-5221(1) and 67-5226, Idaho Code, notice is hereby given that this agency has adopted a temporary rule, and proposed rulemaking procedures have been initiated. The action is authorized pursuant to Sections 33-105, and 33-3723 through 33-3725.

PUBLIC HEARING SCHEDULE: Public hearing(s) concerning this rulemaking will be scheduled if requested in writing by twenty-five (25) persons, a political subdivision, or an agency, not later than October 19, 2011.

The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule and a nontechnical explanation of the substance and purpose of the proposed rulemaking:

Current language contained in the rule requires the Rural Physician Incentive Fund award distribution to be made directly to the lender. Changes would allow for the award to be made directly to the physician who would then be required to make the payment to the lender for qualified education debt as outlined in Section 33-3725, Idaho Code. Additional changes in the rule further clarify the definition of a health professional shortage area.

TEMPORARY RULE JUSTIFICATION: Pursuant to Section 67-5226(1)(c), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons:

Current language contained in the rule requires the award distribution to be made to the lender. During the last award cycle some lenders have not provided the necessary information required to disperse the award resulting in the physician not being able to receive the award they were granted in a timely manner.

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased: NA

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year: NA

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(2), Idaho Code, negotiated rulemaking was not conducted because the changes were of a non controversial nature.

INCORPORATION BY REFERENCE: Pursuant to Section 67-5229(2)(a), Idaho Code, the following is a brief synopsis of why the materials cited are being incorporated by reference into this rule: NA

THE FOLLOWING IS THE PROPOSED TEXT OF DOCKET NO. 08-0203-1102

007. DEFINITIONS A - G.

01. Achievement Standards. Define “below basic,” “basic,” “proficient,” and “advanced” achievement levels on the Idaho Standards Achievement Tests (ISAT) and “beginning,” “advanced beginning,” “intermediate,” “early fluent” and “fluent” on the Idaho English Language Assessment (IELA) by setting scale score cut points. These cut scores are paired with descriptions of how well students are mastering the material in the content standards. These descriptions are called performance level descriptors or PLDs, and are provided by performance level, by content area, and by grade. (4-2-08)

02. Advanced Opportunities. Are defined as Advanced Placement courses, Dual Credit courses, Tech Prep, or International Baccalaureate programs. (4-11-06)

03. Advanced Placement® (AP) - College Board. The Advanced Placement Program is administered by the College Board at <http://www.collegeboard.com>. AP students may take one (1) or more college level courses in a variety of subjects. AP courses are not tied to a specific college curriculum, but rather follow national College Board curricula. While taking the AP exam is optional, students can earn college credit by scoring well on the national exams. It is up to the discretion of the receiving college to accept the scores from the AP exams to award college credit or advanced standing. (4-11-06)

04. All Students. All students means all public school students, grades K-12. (4-11-06)

05. Alternative Assessment (Other Ways of Testing). Any type of assessment in which students create a response to a question rather than choose a response from a given list, as with multiple-choice or true/false. Alternative assessments can include short-answer questions, essays, oral presentations, exhibitions, and portfolios. (4-5-00)

06. Assessment. The process of quantifying, describing, or gathering information about skills, knowledge or performance. (4-5-00)

07. Assessment Standards. Statements setting forth guidelines for evaluating student work, as in the “Standards for the Assessment of Reading and Writing.” (4-5-00)

08. Asynchronous Course. An online course in which an online platform is used to deliver all curricula. The majority of communication exchanges occur in elapsed time and allow students and teachers to participate according to their schedule. Asynchronous courses do not prohibit the use of a paraprofessional, certificated staff or other staff member being present at the physical location during instructional periods where instruction takes place, such as a school’s computer lab. ()

089. Authentic. Something that is meaningful because it reflects or engages the real world. An “authentic task” asks students to do something they might really have to do in the course of their lives, or to apply certain knowledge or skills to situations they might really encounter. (4-5-00)

0910. Basic Educational Skills Training. Instruction in basic skills toward the completion/attainment of a certificate of mastery, high school diploma, or GED. (4-5-00)

11. Blended Course. A blended course, sometimes called hybrid course, consists of a course having between fifty-one percent (51%) and seventy-nine percent (79%) of the course content delivered through the use of technology, and may include the following models: ()

a. Flex Model. Features an online platform that delivers most of the curricula. Teachers provide on-site support on a flexible and adaptive, as-needed basis through in-person tutoring sessions and small group sessions. ()

b. Online Lab Model. Programs rely on an online platform to deliver the entire course but in a brick-and-mortar lab environment. Paraprofessionals or other staff supervise but offer little content expertise. ()

c. Rotation Model. Students rotate on a fixed schedule between learning online in a self-paced environment and sitting in a classroom with a traditional face-to-face teacher. ()

1921. Skill Certificate. Portable, industry-recognized credential that certifies the holder has demonstrated competency on a core set of performance standards related to an occupational cluster area. Serving as a signal of skill mastery at benchmark levels, skill certificates may assist students in finding work within their community, state, or elsewhere. Additional requirements for a senior project are at the discretion of the local school district or LEA. (3-29-10)

05. Middle School. If a student completes any required high school course with a grade of C or higher before entering grade nine (9), and if that course meets the same standards that are required in high school, then the student has met the high school content area requirement for such course. However, the student must complete the required number of credits in all high school core subjects as identified in Subsections 105.01.b. through 105.01.g. in addition to the courses completed in middle school. (3-29-10)
