Pursuant to Section 36-105(3), Idaho Code, the Department of Fish and Game has submitted notices of proclamation setting seasons and rules for Big Game Animals, specifically deer, elk, pronghorn, black bear and mountain lion, for the 2011 seasons, and for moose, bighorn sheep and mountain goat for the 2011-12 seasons; for sage grouse for the 2011 season; for migratory waterfowl (ducks and geese) for the 2011-12 season; and for fall chinook fishing for the 2011 season. Section 36-105(3), Idaho Code, provides that the Department shall be excepted from the requirements of rulemaking when adopting, repealing, or amending any proclamations relating to the setting of various seasons and limits, provided it publishes notice of such proposed proclamations in the Idaho Administrative Bulletin and provides notice to Legislative Services for review by the germane joint subcommittees as soon as possible after adoption by the Commission. The seasons are included in the Department's regulation pamphlets. The Department notes that a number of public hearings and open houses have already occurred and an additional Commission meeting is expected to take place on November 9, 2011 in Coeur d'Alene, Idaho.

2. IDAPA 13.01.02 - Rules Governing Public Safety

The Department of Fish and Game submits notice of temporary and proposed rule at IDAPA 13.01.02 - Rules Governing Public Safety. According to the Department, the purpose of the rule is to provide a mechanism for exemption from the live fire requirement of hunter education certification for persons with military and peace officer training, and responds to constituent and legislative requests. The temporary rule was effective on May 23, 2011.

Negotiated rulemaking was not conducted. The rule appears to be authorized pursuant to Sections 36-104 and 36-412, Idaho Code.

The Department of Fish and Game submits notice of temporary and proposed rule at IDAPA 13.01.04 - Rules Governing Licensing. According to the Department, the purpose of the rule is to comply with HB143 from the 2011 Legislative Session. The rule allows nonresident disabled veterans to participate in a hunt in association with a qualified organization to receive reduced fees for certain licenses and tags. The Department states that the changes also provide specific rules for bighorn sheep auction and lottery tags to accommodate proxy bidders while preventing tag resale and sets nonresident tag and outfitter set-aside quotas. The temporary rule became effective on August 1, 2011.

Negotiated rulemaking was not conducted. The rule appears to be authorized pursuant to Sections 36-104, 36-404, 36-407 through 36-409 and 36-416, Idaho Code.

Negotiated rulemaking was not conducted. The rule appears to be authorized pursuant to Section 36-104, Idaho Code.

5. IDAPA 13.01.05 - Rules Governing Fishing Contests

The Department of Fish and Game submits notice of proposed rule at IDAPA 13.01.05 - Rules Governing Fishing Contests. According to the Department, the purpose of the rule is to clarify and simplify the definition of "fishing contest." The current rule provides that a fishing contest is any fishing event which is based on the capture of an individual fish or the size or number of fish - and total prize value is greater than one thousand dollars, or the individual entry fee is greater than twenty-five dollars, or the number of boats is greater than ten, or the number of individual contestants is greater than twenty, or there is a live fish weigh-in. The proposed amendment would redefine "fishing contest" to mean any organized fishing event that has a live fish weigh-in and awards cash or prizes of one thousand dollars or more based on number, size, or species of fish captured or is expected to draw or have more than twenty participants. Events organized wholly for youth under the age of fourteen are exempted.

Negotiated rulemaking was not conducted. The rule appears to be authorized by Sections 36-104 and 36-901, Idaho Code.

6. IDAPA 13.01.06 - Rules Governing Classification and Protection of Wildlife

The Department of Fish and Game submits notice of proposed rule at IDAPA 13.01.06 - Rules Governing Classification and Protection of Wildlife. According to the Department, the purpose of the rule change is to change the classification name for Leatherside chub and Bluehead sucker to comply with recent research.

Negotiated rulemaking was not conducted. The rule appears to be authorized pursuant to Sections 36-104 and 36-201, Idaho Code.

7. IDAPA 13.01.08 - Rules Governing the Taking of Big Game Animals in the State of Idaho

The Department of Fish and Game submits notice of temporary and proposed rule at IDAPA 13.01.08 - Rules Governing the Taking of Big Game Animals in the State of Idaho. According to the Department, the rule deletes references to a wolf trapping permit, clarifies the wolf trapping rules, allows wolf trapping near naturally deceased (not man-caused mortality) big game carcasses and clarifies and adjusts certain big game management unit descriptions. The temporary rule became effective on August 29, 2011.

Negotiated rulemaking was not conducted. The rule appears to be authorized pursuant to Sections 36-104 and 36-1101, Idaho Code.

8. IDAPA 13.01.09 - Rules Governing the Taking of Game Birds in the State of Idaho

The Department of Fish and Game submits notice of temporary and proposed rule at IDAPA 13.01.09 - Rules Governing the Taking of Game Birds in the State of Idaho. According to the Department, the purpose of the rule changes are to amend provisions of the Youth Waterfowl Day to correspond to the federal age qualifica-

tion and to amend obsolete references to seasons, bag limits and possession limits which are set by commission proclamation. The temporary rule became effective on August 1, 2011.

Negotiated rulemaking was not conducted. The rule appears to be authorized pursuant to Sections 36-104, 36-105, 36-1101 and 36-1102, Idaho Code.

9. IDAPA 13.01.10 - Rules Governing the Importation, Possession, Release, Sale or Salvage of Wildlife

The Department submits notice of proposed rule at IDAPA 13.01.10 - Rules Governing the Importation, Possession, Release, Sale or Salvage of Wildlife. According to the Department, the rule amends the wildlife salvage rules to allow increased salvage of commercially valuable wildlife. The rule changes specifically involve animals that have been accidentally killed as a result of vehicle-collision mortality. One subsection of the rule provides for the recovery and possession of such animals, with requirements associated with notification and adherence to mandatory check and report requirements, and another subsection provides for the purchase, barter or sale of parts, excluding meat, of such animals, except bighorn sheep.

Negotiated rulemaking was not conducted. The rule appears to be authorized pursuant to Sections 36-103, 36-104, 36-501 and 36-504, Idaho Code.

10. IDAPA 13.01.11 - Rules Governing Fish

The Department submits notice of temporary and proposed rule at IDAPA 13.01.11 - Rules Governing Fish. According to the Department, the rule amends and simplifies definitions of certain terms, specifies the conditions by which hatchery steelhead and salmon legally harvested may be transported without tails and heads attached, prohibits marking and releasing fish without a collecting permit, allows the use of a gaff hook when harvesting nongame fish taken with archery equipment and corrects obsolete rules. The temporary rule was effective on August 1, 2011.

Negotiated rulemaking was not conducted. The rule appears to be authorized pursuant to Sections 36-104 and 36-901, Idaho Code.

11. IDAPA 13.01.12 - Rules Governing Commercial Fishing

The Department submits notice of temporary and proposed rule at IDAPA 13.01.16 - The Trapping of Predatory and Unprotected Wildlife and the Taking of Furbearing Animals. According to the Department, the rule is the result of working with trappers to determine if or how trapping closures near campgrounds and picnic areas could be adjusted. The Department states that the rule also provides detail specifications on trap break-away devices, specifies allowable jaw size for foothold traps in ground sets now that wolves have been delisted and sets wolf trap equipment specifications. The temporary rule was effective on August 1, 2011.

The Department notes that negotiated rulemaking was not conducted because of the need to set wolf trap specifications now that wolves have been delisted, but that input from trappers and trapping organizations were incorporated via informal negotiations. The rule appears to be authorized pursuant to Sections 36-104 and 36-1101, Idaho Code.

i. The edible flesh of wildlife classified as big game animals, upland game animals, game birds, migratory birds, or rattlesnakes taken from the wild may not be purchased, bartered or sold. (4-7-11)

ii. The edible flesh of wildlife classified as game fish or crustacea that are taken from the wild may not be purchased, bartered or sold except as provided in Idaho Code Sections 36-501 and 36-801 through 36-805 and rules promulgated pursuant thereto. (3-23-94)

The annual sale by holders of a valid Idaho hunting, trapping or combination hunting and fishing license of up to six (6) skins of legally taken rattlesnakes is lawful pursuant to IDAPA 13.01.06, "Classification and Protection of Wildlife," Subsection 300.02 and Subsection 100.06 of this rule. (4-7-11)

b. A written statement showing the taker's name, address, license and tag numbers, date and location of kill, signed by the taker, must be provided to the buyer of any black bear or mountain lion head, hide or parts (except tanned hides finished into rugs or mounts). A copy of the sales statement must be forwarded by the buyer to the Idaho Department of Fish and Game within ten (10) days after such sale. A department CE-50, Statement of Sale/Purchase of Wildlife Parts, may be used in lieu of a sales statement. (4-7-11)

c. ii. No person shall alter, deface or remove a pin placed in a bighorn sheep horn by the Idaho Department of Fish and Game. No person shall possess the horn(s) of a bighorn sheep that bears an altered, defaced or counterfeit Idaho pin or from which the Idaho pin has been removed. (3-23-94)
