

## STATEMENT OF PURPOSE

### RS20249

This legislation requires that newly elected school board trustees undertake and complete a training course regarding their responsibilities as trustees within one year of being sworn into office. The course will be designed by the Idaho School Boards Association in conjunction with the State Department of Education. The School Boards Association and the Department of Education shall have curriculum available by January 1, 2012.

### FISCAL NOTE

The Idaho School Boards Association currently has a module/training curriculum on school district governance with a cost of \$500. Districts are eligible for training as a condition of membership every three years at no cost. Additionally funds may be accessed by district or region from Idaho foundations.
