

STATEMENT OF PURPOSE

RS20237

This legislation provides technical corrections to two provisions within the Unclaimed Property Law. The first revision removes subsection 14-523(3)(h), Idaho Code, because Idaho no longer imposes an inheritance tax. The second revision correctly identifies the subsection cross-reference in subsection 14-525(d), Idaho Code, as subsection 14-503(3)(b), Idaho Code.
