 28 stolen vehicle;

29 (d) Violate any law respecting commerce in vehicles or any lawful rule
 30 respecting commerce in vehicles promulgated by any licensing or regu-
 31 lating authority now existing or hereafter created by the laws of the
 32 state;

33 (e) Engage in the business for which the dealer is licensed without at
 34 all times maintaining a principal place of business;

35 (f) Engage in a type of business respecting the selling or exchanging of
 36 vehicles for which he is not licensed;

37 (g) Knowingly purchase a vehicle which has an altered or removed vehi-
 38 cle identification number plate or alter or remove a vehicle identifi-
 39 cation number plate;

40 (h) Violate any provision of this title or any rules promulgated;

41 (i) Violate any provision of the federal motor vehicle safety stan-
 42 dards, federal odometer laws or regulations; or

43 (j) Display for sale, exchange, or sell any vehicle for which the vehi-
 44 cle dealer does not hold title or consignment agreement or other docu-
 45 mentary evidence of his right to the possession of every vehicle in his
 46 possession.

47 (2) It shall be unlawful for any manufacturer or distributor licensed
 48 under this chapter to require, attempt to require, coerce, or attempt to co-
 49 erce, any new vehicle dealer in this state to:

1 (a) Order or accept delivery of any new vehicle, part or accessory,
2 equipment or any other commodity not required by law which shall not
3 have been voluntarily ordered by the new vehicle dealer. This para-
4 graph is not intended to modify or supersede any terms or provisions of a
5 franchise requiring dealers to market a representative line of vehicles
6 which the manufacturer or distributor is publicly advertising.

7 (b) Order or accept delivery of any new vehicle with special features,
8 accessories or equipment not included in the list price of such vehicles
9 as publicly advertised by the manufacturer or distributor.

10 (c) Participate monetarily in an advertising campaign or contest, or
11 to purchase any promotional materials, training materials, showroom or
12 other display decorations or materials at the expense of the dealer.

13 (d) Enter into any agreement with the manufacturer or distributor or to
14 do any other act prejudicial to the dealer by threatening to terminate
15 or cancel a franchise or any contractual agreement existing between
16 the dealer and the manufacturer or distributor. This paragraph is not
17 intended to preclude the manufacturer or distributor from insisting
18 on compliance with reasonable terms or provisions of the franchise or
19 other contractual agreement, and notice in good faith to any dealer of
20 the dealer's violation of those terms or provisions shall not consti-
21 tute a violation of the provisions of this chapter.

22 (e) Change the capital structure of the dealer or the means by or
23 through which the dealer finances the operation of the dealership,
24 provided that the dealer at all times meets any reasonable capital stan-
25 dards determined by the manufacturer or distributor in accordance with
26 uniformly applied criteria. No change in the capital structure shall
27 cause a change in the principal management or have the effect of a sale
28 of the franchise without the consent of the manufacturer or distribu-
29 tor. Consent shall not be unreasonably withheld.

30 (f) Refrain from participation in the management of, investment in, or
31 the acquisition of any other line of new vehicle or related products.
32 This paragraph does not apply unless the dealer maintains a reasonable
33 line of credit for each make or line of new vehicle, and the dealer re-
34 mains in compliance with any reasonable facilities requirements of the
35 manufacturer or distributor, and no change is made in the principal man-
36 agement of the dealership.

37 (g) Prospectively assent to a release, assignment, novation, waiver or
38 estoppel which would relieve any person from liability to be imposed by
39 this chapter or to require any controversy between a dealer and a man-
40 ufacturer, distributor, or representatives, to be referred to any per-
41 son other than the duly constituted courts of the state or the United
42 States, or to the director, if that referral would be binding upon the
43 dealer.

44 (h) Either establish or maintain exclusive facilities, personnel, or
45 display space.

46 (i) Expand facilities without a written guarantee of a sufficient sup-
47 ply of new vehicles so as to justify an expansion, in light of the market
48 and economic conditions.

49 (j) Make significant modifications to an existing dealership or to
50 construct a new vehicle dealership facility without providing a writ-

1 ten guarantee of a sufficient supply of new vehicles so as to justify
2 modification or construction, in light of the market and economic con-
3 ditions.

4 (3) It shall be unlawful for any manufacturer or distributor licensed
5 under this chapter to:

6 (a) Delay, refuse, or fail to deliver new vehicles or new vehicle parts
7 or accessories in a reasonable time, and in reasonable quantity, rela-
8 tive to the dealer's facilities and sales potential in the dealer's rel-
9 evant market area, after acceptance of an order from a dealer having a
10 franchise for the retail sale of any new vehicle sold or distributed by
11 the manufacturer or distributor, any new vehicle, parts or accessories
12 to new vehicles as are covered by the franchise, if the vehicle, parts,
13 or accessories are publicly advertised as being available for delivery
14 or actually being delivered. These provisions are not violated, how-
15 ever, if failure is caused by acts or causes beyond the control of the
16 manufacturer or distributor.

17 (b) Refuse to disclose to any dealer handling the same line, the manner
18 and mode of distribution of that line within the relevant market area.

19 (c) Obtain money, goods, service, or any other benefit from any other
20 person with whom the dealer does business, on account of, or in relation
21 to, the transaction between the dealer and other person, other than for
22 compensation for services rendered, unless the benefit is promptly ac-
23 counted for, and transmitted to the dealer.

24 (d) Increase prices of new vehicles which the dealer had ordered for
25 consumers prior to the dealer's receipt of the written official price
26 increase notification. A sales contract signed by a consumer shall
27 constitute evidence of each such order, provided that the vehicle is in
28 fact delivered to that customer. In the event of manufacturer or dis-
29 tributor price reductions or cash rebates paid to the dealer, the amount
30 of any reduction or rebate received by a dealer shall be passed on to the
31 private retail consumer by the dealer. Price reductions shall apply to
32 all vehicles in the dealer's inventory which were subject to the price
33 reduction. Price differences applicable to new model or series shall
34 not be considered a price increase or price decrease. Price changes
35 caused by the addition to a vehicle of required or optional equipment,
36 or revaluation of the United States dollar, in the case of foreign-make
37 vehicles or components, or an increase in transportation charges due to
38 increased rates imposed by a carrier, shall not be subject to the provi-
39 sions of this subsection.

40 (e) Release to any outside party, except under subpoena or as other-
41 wise required by law or in an administrative, judicial or arbitration
42 proceeding involving the manufacturer or distributor or dealer, any
43 business, financial, or personal information which may be provided from
44 time to time by the dealer to the manufacturer or distributor without
45 the express written consent of the dealer.

46 (f) Deny any dealer the right of free association with any other dealer
47 for any lawful purpose.

48 (g) Unfairly compete with a dealer in the same line make, operating
49 under an agreement or franchise from the aforementioned manufacturer
50 or distributor, in the relevant market area. A manufacturer or dis-

1 tributor shall not, however, be deemed to be competing when operating
2 a dealership either temporarily for a reasonable period, in any case
3 not to exceed one (1) year, or in a retail operation which is for sale
4 to any qualified independent person at a fair and reasonable price, or
5 in a relationship in which an independent person has made a significant
6 investment subject to loss in the dealership and can reasonably expect
7 to acquire full ownership of that dealership on reasonable terms and
8 conditions. Upon a showing of good cause by the manufacturer or dis-
9 tributor to the department, the period of temporary ownership may be
10 extended up to one (1) additional year, resulting in a maximum temporary
11 ownership period of two (2) years.

12 (h) Unfairly discriminate among its dealers with respect to warranty
13 reimbursement.

14 (i) Unreasonably withhold consent to the sale, transfer, or exchange of
15 the franchise to a qualified buyer capable of being licensed as a dealer
16 in this state or to condition the sale, transfer, or exchange of a fran-
17 chise agreement upon site control or an agreement to renovate or make
18 improvements to a facility, unless required by the technology of a motor
19 vehicle being sold at the facility. Provided however, that a voluntary
20 acceptance of such conditions by the dealer in writing including, but
21 not limited to, a written agreement for which the dealer has accepted
22 separate and valuable consideration, shall not constitute a violation.

23 (j) Fail to respond in writing to a request for consent as specified in
24 subsection paragraph (i) of this section within sixty (60) days of re-
25 ceipt of a written request on the forms, if any, generally utilized by
26 the manufacturer or distributor for those purposes and containing the
27 required information. Failure to respond shall be deemed to be consent
28 to the request.

29 (k) Prevent or attempt to prevent, by contract or otherwise, any dealer
30 from changing the executive management control of the dealership unless
31 the manufacturer or distributor, having the burden of proof, can show
32 that the change of executive management will result in executive man-
33 agement or control by a person or persons who are not of good moral char-
34 acter or who do not meet reasonable, preexisting and, with considera-
35 tion given to the volume of sales and service of the dealership, uni-
36 formly applied minimum business experience standards. Where the manu-
37 facturer or distributor rejects a proposed change in executive manage-
38 ment control, the manufacturer or distributor shall give written notice
39 of his reasons to the dealer within sixty (60) days of notice to the man-
40 ufacturer or distributor by the dealer of the proposed change; other-
41 wise, the change in the executive management of the dealership shall be
42 presumptively considered approved.

43 (l) Terminate, cancel or fail to renew any franchise solely because of
44 the death or incapacity of an owner who is not listed in the franchise
45 as one on whose expertise and abilities the manufacturer or distributor
46 relied in the granting of the franchise.

47 (m) Prevent or attempt to prevent the dealer, by written instrument
48 or otherwise, from either receiving the fair market value of the deal-
49 ership in a sale transaction, or from transferring the dealership to a
50 spouse or legal heir, as specified in this chapter.

1 (n) Engage in any predatory practice or discrimination against any
2 dealer.

3 (o) Resort to or to use any false or misleading advertisement in the
4 conducting of his business as a manufacturer or distributor in this
5 state.

6 (p) Make any false or misleading statement, either directly or through
7 any agent or employee, in order to induce any dealer to enter into any
8 agreement or franchise, or to take any action which is prejudicial to
9 that dealer or his business.

10 (q) Require or coerce dealers to participate in local or national ad-
11 vertising campaigns or contests or to require or coerce dealers to pur-
12 chase promotional or display materials.

13 (r) Charge back, deny motor vehicle allocation, withhold payments, or
14 take other actions against a dealer, or to condition a franchise agree-
15 ment, or renewal of a franchise agreement, or to condition sales, ser-
16 vice, parts, or finance incentives upon site control or an agreement to
17 renovate or make improvements to a facility unless required by the tech-
18 nology of a motor vehicle being sold at the facility. Provided however,
19 that a voluntary acceptance of such conditions by the dealer in writing
20 including, but not limited to, a written agreement for which the dealer
21 has accepted separate and valuable consideration, shall not constitute
22 a violation.

23 (s) Charge back, deny motor vehicle allocation, withhold payments, or
24 take other actions against a motor vehicle dealer if a motor vehicle
25 sold by the motor vehicle dealer is exported from Idaho or the dealer's
26 assigned area of responsibility unless the manufacturer, distributor,
27 or manufacturer representative proves that the motor vehicle dealer
28 knew or reasonably should have known a motor vehicle was intended to
29 be exported, which shall operate as a rebuttable presumption that the
30 motor vehicle dealer did not have such knowledge. This paragraph does
31 not apply if exporting of motor vehicles outside of the state of Idaho is
32 provided for by the manufacturer or distributor.

33 (4) It is unlawful for any manufacturer or distributor or any offi-
34 cer, agent or representative to coerce, or attempt to coerce, any dealer
35 in this state to offer to sell or sell any extended service contract or ex-
36 tended maintenance plan that is offered, sold, backed by or sponsored by
37 the manufacturer or distributor or to sell, assign or transfer any retail
38 installment sales contract, obtained by the dealer in connection with the
39 sale by him in this state of new vehicles, manufactured or sold by the man-
40 ufacturer or distributor, to a specified finance company or class of such
41 companies, or to any other specified person, by any of the acts or means set
42 forth, namely by:

43 (a) Any statement, suggestion, promise or threat that the manufac-
44 turer or distributor will, in any manner, benefit or injure the dealer,
45 whether the statement, suggestion, threat or promise is express or im-
46 plied or made directly or indirectly;

47 (b) Any act that will benefit or injure the dealer;

48 (c) Any contract, or any express or implied offer of contract, made
49 directly or indirectly to a dealer for handling new vehicles, on the
50 condition that the dealer shall offer to sell or sell any extended

1 service contract or extended maintenance plan that is offered, sold,
 2 backed by, or sponsored by the manufacturer or distributor or sell, as-
 3 sign or transfer his retail installment sales contract in this state to
 4 a specified finance company or class of such companies, or to any other
 5 specified person; or

6 (d) Any express or implied statement or representation made directly or
 7 indirectly that the dealer is under any obligation whatsoever to offer
 8 to sell or sell any extended service contract or extended maintenance
 9 plan that is offered, sold, backed by, or sponsored by the manufacturer
 10 or distributor or to sell, assign or transfer any of his retail sales
 11 contracts, in this state, on new vehicles manufactured or sold by that
 12 manufacturer or distributor to a finance company or class of companies,
 13 or other specified person, because of any relationship or affiliation
 14 between the manufacturer or distributor and a finance company or compa-
 15 nies, or a specified person or persons.

16 Any statement, threats, promises, acts, contracts or offers of con-
 17 tracts, when the effect may be to lessen or eliminate competition or tend to
 18 create a monopoly, are declared unfair trade practices and unfair methods of
 19 competition, against the policy of this state, and are unlawful.

20 (5) It is unlawful for any manufacturer or distributor or agent or em-
 21 ployee of a manufacturer or distributor to use a written instrument, agree-
 22 ment, or waiver to attempt to nullify any of the provisions of this section,
 23 and such agreement, written instrument or waiver shall be null and void.

24 (6) It shall be unlawful, directly or indirectly, to impose unrea-
 25 sonable restrictions on the dealer relative to the sale, transfer, right
 26 to renew, termination discipline, noncompetition covenants, site control
 27 (whether by sublease, collateral pledge of lease, or otherwise), right of
 28 first refusal to purchase, option to purchase, compliance with subjective
 29 standards and assertion of legal or equitable rights.

30 (7) The provisions of this chapter shall apply to all written franchise
 31 agreements between a manufacturer or distributor and a dealer, including
 32 the franchise offering, the franchise agreement, sales of goods, services
 33 or advertising, leases or mortgages of real or personal property, promises
 34 to pay, security interests, pledges, insurance contract, advertising con-
 35 tract, construction or installation contract, servicing contracts and all
 36 other agreements where the manufacturer or distributor has any direct or
 37 indirect interest.

 39 amended to read as follows:

 41 Each manufacturer or distributor shall specify in writing to each of its
 42 dealers licensed in this state, the dealer's obligations for predelivery
 43 preparation and warranty service on its products, compensate the dealer for
 44 service required of the dealer by the manufacturer or distributor, provide
 45 the dealer a schedule of compensation to be paid the dealer for parts, work
 46 and service in connection with its products, and the time allowance for the
 47 performance of that work and service.

48 (2) In no event shall a schedule of compensation fail to include reason-
 49 able compensation for diagnostic work, as well as repair service and labor.

1 Time allowances for the diagnosis and performance of warranty work and ser-
2 vice shall be reasonable and adequate for the work to be performed.

3 (3) It is unlawful for a new vehicle manufacturer or distributor to fail
4 to perform any warranty obligations or to fail to include in written notices
5 of factory recalls to new vehicle owners and dealers, the expected date by
6 which necessary parts and equipment will be available to dealers for the cor-
7 rection of those defects, or to fail to compensate any of the dealers in this
8 state for repairs affected by recall.

9 (4) A vehicle dealer may submit a warranty claim to a manufacturer or
10 distributor if a warranty defect is identified and documented prior to the
11 expiration of a manufacturer's or distributor's warranty:

12 (a) While a franchise agreement is in effect; or

13 (b) After the termination of a franchise agreement if the claim is for
14 work performed while the franchise agreement was in effect.

15 (5) All claims made by dealers pursuant to this section for labor and
16 parts shall be paid within thirty (30) days following their approval. The
17 manufacturer retains the right to audit claims and to charge the dealer for
18 unsubstantiated, incorrect, or false claims for a period of one (1) year
19 following payment. Provided however, that the manufacturer may audit and
20 charge the dealer for fraudulent claims during any period for which an action
21 for fraud may be commenced. All claims shall be either approved or disap-
22 proved within thirty (30) days after their receipt, on forms and in the man-
23 ner specified by the manufacturer or distributor, and any claim not specifi-
24 cally disapproved in writing within thirty (30) days after receipt shall be
25 construed to be approved and payment must follow within thirty (30) days.

26 (6) A dealer whose claim has been denied due to failure to comply with
27 a specific claim processing requirement, such as a clerical error or other
28 administrative technicality that does not put into question the legitimacy
29 of the claim, may resubmit the corrected claim as provided for in subsection
30 (7) of this section.

31 (7) A dealer shall have thirty (30) days from the date of notification
32 by a manufacturer or distributor of a denial of a claim or a charge-back to
33 the dealer to resubmit a claim for payment or compensation if the claim was
34 denied for any of the reasons described in subsection (6) of this section,
35 whether the charge-back was a direct or an indirect transaction, unless a
36 longer period of time is provided for by the manufacturer or distributor.

37 (8) Notwithstanding the terms of a franchise agreement or other con-
38 tract with a dealer and except as provided in subsection (9) of this section,
39 after the expiration of one (1) year after the date of payment of the warranty
40 claim, a manufacturer or distributor shall not audit the records of a motor
41 vehicle dealer to determine compliance with the terms of a warranty claim.
42 Provided however, that the manufacturer or distributor may audit the dealer
43 for fraudulent claims during any period for which an action for fraud may be
44 commenced.

45 (9) A manufacturer or distributor may make charge backs to a motor vehi-
46 cle dealer if, after completion of an audit of the dealer's records, the man-
47 ufacturer or distributor can show, by a preponderance of the evidence, that:

48 (a) With respect to a warranty claim, the repair work was improperly
49 performed in a substandard manner or was unnecessary; or

1 (b) The claim is unsubstantiated in accordance with the manufacturer or
2 distributor's requirements.

3 (10) Nothing in subsection (8) or (9) of this section shall prevent a
4 manufacturer or distributor from instituting a legal action for fraud as
5 provided for in section 5-218, Idaho Code.

6 (11) The schedule of compensation for warranty parts and labor shall
7 not be less than the rates charged by the dealer for similar service to re-
8 tail customers for nonwarranty parts and labor and must not be less than the
9 schedule of compensation for an existing dealer; provided that such dealer's
10 retail rate is not unreasonable when compared with other motor vehicle fran-
11 chises from the same or competitive lines for similar merchandise or ser-
12 vices in the geographic area in which the dealer is engaged in business.

13 (a) For purposes of determining the schedule of compensation paid to a
14 dealer by the manufacturer or distributor, the following shall not be
15 considered in determining amounts charged by the dealer to retail cus-
16 tomers:

17 (i) Menu-priced parts or services;

18 (ii) Repairs for manufacturer or distributor special events;

19 (iii) Repairs covered by any insurance or service contract;

20 (iv) Vehicle emission or safety inspections required by federal,
21 state or local governments;

22 (v) Parts sold at wholesale or repairs performed at wholesale,
23 which shall include any sale or service to a fleet of vehicles;

24 (vi) Engine assemblies and transmission assemblies;

25 (vii) Routine maintenance not covered under any retail customer
26 warranty including, but not necessarily limited to, maintenance
27 involving fluids, filters and belts not provided in the course of
28 repairs;

29 (viii) Nuts, bolts, fasteners and similar items that do not have an
30 individual part number;

31 (ix) Tires; or

32 (x) Vehicle reconditioning.

33 (b) The dealer shall establish their schedule of compensation under
34 the provisions of this section by submitting to the manufacturer or
35 distributor one hundred (100) sequential customer paid service repair
36 orders or ninety (90) days of customer paid service repair orders,
37 whichever is less, covering repairs made no more than one hundred eighty
38 (180) days before the submission of such customer paid service repair
39 orders and declaring the schedule of compensation. The new schedule
40 of compensation shall take effect within ninety (90) days after the
41 initial submission to the manufacturer or distributor and shall be
42 presumed to be fair and reasonable. However, within thirty (30) days
43 following receipt of the declared schedule of compensation from the
44 dealer, the manufacturer or distributor may make reasonable requests
45 for additional information supporting the declared schedule of com-
46 ensation. The ninety (90) day time frame in which the manufacturer or
47 distributor shall make the schedule of compensation effective shall
48 commence following receipt from the dealer of any reasonably requested
49 supporting information. No manufacturer or distributor shall require
50 a motor vehicle dealer to establish a schedule of compensation by any

1 other methodology or require supportive information that is unduly bur-
2 densome or time consuming to provide including, but not limited to, part
3 by part or transaction by transaction calculations. The dealer shall
4 not request a change in the schedule of compensation more than once ev-
5 ery twelve (12) months.

6 (12) It is unlawful for a manufacturer or distributor or subsidiary
7 to own, operate or control, either directly or indirectly, a motor vehicle
8 warranty or service facility located in this state except on an emergency
9 or interim basis or if no qualified applicant has applied for appointment
10 as a dealer in a market previously served by a motor vehicle dealer of that
11 manufacturer or distributor's line make except as provided for in section
12 49-1613(3) (g), Idaho Code.

13 (13) A manufacturer may not otherwise recover all or any portion of its
14 costs for compensating its dealers licensed in this state for warranty parts
15 and labor either by reduction in the amount due to the dealer or by separate
16 charge, surcharge or other imposition.

17 (14) All procedures and protections afforded to a motor vehicle dealer
18 under the provisions of this section shall be available to a recreational
19 vehicle dealer. However, the schedule of compensation afforded under sub-
20 section (11) of this section shall not apply to compensation for parts,
21 systems, fixtures, appliances, furnishings, accessories and features of a
22 recreational vehicle that are designed, used and maintained primarily for
23 nonvehicular residential purposes.
