31 Be It Enacted by the Legislature of the State of Idaho:

32 SECTION 1. LEGISLATIVE FINDINGS AND INTENT. The Legislature finds that
33 it is the public policy of this state to encourage voter participation in
34 primary and general elections. While each political party may select that
35 party's candidates in primary elections, it is the intent of the Legislature
36 that every effort be made to accommodate the participation of voters who are
37 unaffiliated with a particular political party, but who are willing to af-
38 filiate with a party for purposes of voting in primary elections. The Leg-
39 islature also finds, as noted by the United States Supreme Court, that the
40 state may not deprive a political party of its rights under the First and
41 Fourteenth Amendments to enter into political association with individuals
42 of its own choosing. Consequently, it is the intent of the Legislature to
43 provide political parties in this state with a mechanism to voluntarily and

1 more fully exercise those rights of political association by providing cer-
2 tain provisions relating to primary elections.

3 SECTION 2. That Section 34-308, Idaho Code, be, and the same is hereby
4 amended to read as follows:

38 tion to the secretary of state that identifies the political party such
39 elector is affiliated with, as provided for in section 34-904A(2) (b),

44 ballot to the electors in a mail ballot precinct for the electors to use in
45 selecting the party ballot they choose to receive.
